

THE WISCONSIN EARLY MUSTANGERS

January 9, 1980

The January meeting of The Wisconsin Early Mustangs was called to order at 8:03 P.M., by President, Dick Doria.

The first order of business was the reading of the minutes and treasurer's reports by Secretary/Treasurer, Bob Wroblewski. Hearing no corrections or additions to the reports, they stood approved as read.

The second order of business was old business.

Bob Wroblewski reported on the Memorial Day Parade to be held on Monday, May 26, 1980, in Menomonee Falls. It was agreed that this would be good exposure for our group and that Bob will obtain further information on the event. All members who are interested in participating should keep this date open.

Lew Tripi supplied an emblem and motto idea for our group. Other members are urged to bring in their ideas soon.

President Doria passed around copies of the tentative bylaws which were discussed openly. Anyone with changes or additions to these should present them at the next meeting.

Copies of our membership roster were handed out in case members would want to get in touch with one another.

President Doria then informed the group that the discount for parts received from Ford will be 25%.

The next order of business was new business.

The idea of incorporation was brought up and discussed. This will be looked into and reported backed to the group in the future.

Future activities for group consideration were then discussed as outlined below:

- 1) A two day, one night trip in our Mustangs, possibly to the Mississippi River.

- 2) A parade around the track at the Fair Park before a race.
- 3) Inclusion in the Rank & Sons car show, since the show has not contained any Mustangs in the past.

It should be noted that the date for the next meeting has been changed to March 19, 1980, at Dan Settano's house, 4720 Shasta Drive, Brookfield, Wisconsin.

The meeting was adjourned at 8:50P.M.

Fraternally submitted,

Bob W. Koblewski
Secretary / Treasurer
