**" A Few to Preserve the Best "**

**From the Prez :**

**December 30, 1994**

Well another year has come and gone. I can't believe that the first swap meet of the year, January 7th, is only one week away. Pretty soon it will be time to shine up the cars and prepare for a whole new season of fun.

Normally along with the new year come some changes and '95 will have its share. Probably the biggest change for the club will be our annual show. The club was faced with our biggest show ever in 1994. We had 253 cars that were registered and probably another 30 - 40 sitting parked along the side of the street that we just didn't have any room for. Probably the biggest complaint from participants for the past number of years was parking cars in their respective CLASSES. Because of the layout of the lot, it had to be a first come, first serve for parking. We did the best job we could with the amount of cars and room we had. We had two options available to the club. The first was we try and move the show to Schwisters newer facility. We looked at the layout of the lot at the newer building and determined that there just wasn't enough room to set the show up properly. Our second option, and the more difficult one, was to move the show to another dealership with more room for the show to grow. We had been asked about possibly holding another show down at Ed Witt's Venus Ford. When the decision was made to start looking for another location and dealership to hold the show at, we contacted Ed Witt's and began to talk with them. They are in the process of building a brand new facility just up the street from their current location. The layout of the lot was just what we were looking for. We will be able to accomodate upwards to 300 cars without any problems. Each car will have its own lined parking space and we will not need to park any cars down the middle of the isles anymore. All classes will be clearly marked and sectioned off. We will also have just about the same room inside for the swap meet and concessions. I know that this is quite a change for all of us but it is one that was unavoidable if the show was to grow. Everything will remain the same except for the location of the show. There will be more details to follow next month. We do want to thank the folks at Schwister Ford for 12 great years of hospitality. With out their support, the show would not have grown as it has. Until next time. Keep on Stangin !

## FROM YOUR EDITOR

### COMING EVENTS

There will be two major outings the month of February. The first will be the Annual club bowling outing on Sunday February 19th. This will be held at noon at Oak Creek Classic Lanes. The next is our club dinner which will take place on Saturday February 25th. In both cases it is important to sign up and get your money in early to help us better plan for these events. There are sign up sheets for both outings in this newsletter. Respond ASAP.

### ARE YOU LATE ?

It's time once again to renew your membership in the W.E.M. January 1st is the renewal date for each year. If you have not as yet sent in your annual membership renewal please do so in the next

few weeks. Coupon in this newsletter. Thank You.

### CHANGE OF ADDRESS

Have you moved recently? If so please be sure to send your new address and phone number either to me or to the club headquarters.

### WE'RE MOVING

If you read the cover sheet of this newsletter you already know that the location for our 13th annual car show and swap meet is changing from Schwister Ford to Venus Ford in Cudahy. Our show continues to grow in size. We are one of the biggest shows in the State. If continued growth is our plan we felt it necessary to find a location that would accommodate more vehicles. We maxed out at 250 cars last year. There were people turned away for lack of

room. It appears Venus Ford will be able to place 300 cars on their lot. Schwister has been a very formidable host for the past 12 years and we thank them for all their support.

### NEW FEATURE

Rummaging through all my old magazines from 30+ years ago I noticed that most of them had advertisements for cars. I found these to be very interesting and spend lots of time going over these ads for what is now considered old iron. Starting with next month I plan to reprint one of these ads each month. Even if they are not all Ford products I hope you will find this feature interesting.

Until Next month,  
Fraternally Yours,  
Bob Zimmermann

# 9TH ANNUAL GIMMICK BOWLING PARTY

**DATE: SUNDAY FEBRUARY 19, 1995**  
**TIME: 12:00 NOON**  
**PLACE: CLASSIC LANES OAK CREEK**  
**(2 BLKS SOUTH OR RAWSON ON HOWELL)**

It's time once again to start thinking about throwing that round black ball down the lane. I have reserved all 20 lanes at Classic Lanes for our annual outing. It has been a sellout the last three years so I suggest you respond early to insure a spot. The main prize is valued between \$150 and \$200. Your chance is one in eighty to win the main prize. In addition to the main prize 3 prizes valued between \$30 and \$50 will be awarded. Another 15 to 20 prizes will also be awarded with a value between \$10 and \$20. Your chances of winning a prize to offset the fee is about one out of four. Bowling skill is not required to win a prize. This is a gimmick event all you have to do is knock down 1 pin each game and your in the running. Invite your family and friends. The fee is \$8.50 per person. Please send your fee in A.S.A.P. The sooner I receive the entry fee the better the prize selection. Deadline for entry is February 12th. Don't wait spots will be filled on a first come basis. Fill out the coupon below and return to me with proper entry fees.
