

The Wisconsin Early Mustangers

THE FEEDBAG
"A FEW TO PRESERVE THE BEST"

From the Pres.

February 8, 1989

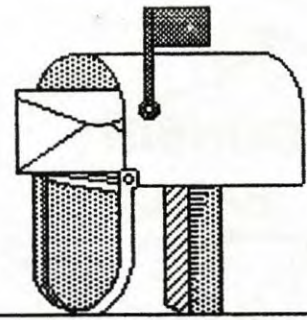

We had one heck of a good turn out for the January meeting. Got a good start on implimenting the schedule that we laid out at the Nov. meeting. Seems to be a bunch of enthusiasm for the activities this year. If this Sundays bowling outing was an indication, we're in good shape. Nice work, Bob and Sue. By the time you get this newsletter our Annual Club Dinner will be history. Linda Baker has put quite a bit of effort into making it a success. Hope all you show/swap workers could take advantage of your complimentary meal.

Speaking of workers, we will begin our recruiting of the workers for this years show/swap. The list will be set up at the February meeting. Get on early so you can pick your time slot(s). Also, as in the past, please try to get your show registrations in as soon as possible. This always makes it easier for the crew on show day.

I've located some of my old Ford service training charts from the mid 60's. I would like to set up some Saturday morning "mini-seminars", if some of you are interested. It will probably be more into summer when we do these, but I think they're worthwhile.

Good to see some of you at the Mecca Swap meet Jan. 29th. Don't forget the Fair Park one on Feb. 19th. We will again be manning a table and handing out show/swap flyers and club info. Be safe gang, "keep on 'stangin'".

FROM THE EDITOR

It's getting closer to the start of the new season. Although the swap meet at MECCA was not spectacular its a sure sign that soon you will start seein the old iron on the road once again. I will be at the swap at State Fair park on the 19th of Feb. and hopefully there will be a bit more on display.

I would like to thank all of you who participated in the 3rd annual gimmick bowling tournament. It appeared that all who attended had a good time. The prizes were won by the following people

Sherry Doria: 19" color TV

Marcia Choulka: Boom Box

Dan Choulka: Game set

Bety Weber: 35mm Camera

Rich Mauritz: Socket Set

Gail Kaebisch: Sanyo Answering Machine

Bob Zimmermann: Shop Vac

Kathy Lerner: Slow cooker

Special congratulations to Gail Kaebisch and Jeff Zimmermann who won the trophies for high series.

A new feature has been started with this months edition. The car of the month will now become a monthly article in the Feedbag. Thanks to Scott Moen for responding to my plea for pictures and information. We are planning another club picture day early this Spring. There will be no cost to the members. I hope for a large group to attend as this will give me material to use in my new article.

Until Next Month,
Fraternally Yours,
Bob Zimmermann

"This coffee is terrible," the customer told the waitress. "What kind is it?"
"It's blended coffee," she said.
"Blended?" the customer asked. "What kind of blend?"
"Yesterday's and today's," she explained.
