THE FEEDBAG

From the Prez.

January 24 , 1999

Everyone sing " Oh the weather outside if frightful , but tonight is so delightful , there's simply no place to go , let it snow , let it snow , let it snow ". I would like to meet the person who wrote that and BURY them in all our snow :-) Not really, but I am getting sick and tired of shoveling. Then again, with all the rain this past week, I think I'd rather have had snow. Oh well, it will be Spring soon enough :-) I trust everyone had a safe and happy New Years.

Well we are off and running for 1999. Our first club event is the WEM Gimmick Bowling Outing on February 21st. I hope to see a lot of you there so we can have a fun day of bowling. Hey, where else can you go and make a fool of yourself in front of all your closest friends. Oh wait, I was thinking about how I bowl .. Doh ! Hey I have fun , even if it is the one and only time I bowl each year. So if you have not gotten your money into Bob and Sue Zimmerman, please do so. They do such a wonderful job of setting this up and picking out prizes each year. See you there !

Just a reminder, we will not be having a meeting in February. Things will be a little slow for the next couple of months as far as club activities go. The annual WEM club dinner is coming up on Saturday March 27th. Look for futher information in the newsletter.

Lastly, with the start of the new year, comes the start of planning this years annual car show. We welcome comments and suggestions from all our members. You can call me at 414-567-2622 or e-mail me at ... anvpy@execpc.com ... with them. The show will be upon us before we know it. Well that's about all for now. I'm looking forward to a good year in '99 !! I know we are going to have some fun :-) Take care and remember ... " Keep America Beautiful . . . Drive a Mustang ! "

Scott

UPCOMING EVENTS

We have two events coming soon to all W.E.M. members and their family and friends please take a minute to review the coming attractions.

1. Last call for our annual Gimmick Bowling party. This will be held on February 21, 1999 at Classic Lanes in Oak Creek. You will find a sign up form with more information in this newsletter. I ask that you return the form ASAP as I am restricted in shopping for prizes until I get some capital to work with.
2. Next we have our annual club dinner which will once again be held at the Pulaski Inn in Cudahy on March 27, 1999. A complete summary can be found in this newsletter. A "FREE" dinner coupon will be included in this newsletter for all those who helped out at our show. Please be prompt in responding to these events.

MEMBERSHIP ROSTER

As stated in last months newsletter I will be sending along with the March newsletter a complete list of active club members. It will include, Name, Phone number, E mail address, type of car you own. I will get this information from the renewal forms sent into the club headquarters or you can E mail me with this information or any newsletter info at rtzimme0525@aol.com.

WRONG WEB INFO

Last month I gave you an erroneous web site. Our correct web sit is. <http://www.execpc.com/wemustangers/>. If you haven't made the trip it is worth your while.

Another Mustang web site to visit can be found at www.vintage-mustang.com
Lots of good info at this site.

Finally we have been contacted by "The Pony Store". This is a web site that sells Mustang parts etc. They will give our club a 5% discount on all material in their on line catalog thru February 28th. To access the store type <http://www.ponycarstore.com> use password wem

GOODIE BAG COORDINATOR NEEDED

I would like to thank Millard Kabitzke for helping me organize the goodie bags over the past few years. Millard will not be involved this year which means I will need someone to help stuff the bags for the show. Any interested parties give me a call at 761-2007. This job can be done in the comfort of your home.

Until Next Month
Fraternally Yours,
Bob Zimmermann

WISCONSIN EARLY MUSTANGERS

MINUTES FROM MEETING 1/25/99

- The meeting was called to order at 7:00 PM by Scott Moen
- New members Mike Columbo (Sr. & Jr.) were introduced.
- No minutes from the previous meeting were read.
- Sharon Doria gave the treasurer report. Club balance \$6,706.93
- The November meeting was a combined meeting and pizza party. All who attended were treated to pizza, beer, and soda. The 1999 club calendar was set at this meeting. This meeting format was enjoyed by all in attendance and future meetings of this nature will be reviewed.
- The discussion went to the upcoming show to be held on June 6th. Various cost cutting suggestions were aired. A final meeting for the show will be held at our club banquet on March 27.
- Some of the dates that were missing on the initial club calendar were logged in and the calendar has been updated. A new version will be in the newsletter.
- Bob Z. reported on the upcoming bowling party. To date 60 people have signed up. He anticipates a full house of 80. He recommended if you plan on bowling and haven't signed up do so quick or you may lose out. 20 spots remain.

- Bob Zimmermann reported that he is looking for someone to help out packing the goodie bags for the car show. Any volunteers should contact Bob at 761-2007.
- The club was reminded that due to limited club activity during the winter months there will be no meeting in February.
- The meeting was adjourned at 7:50.

- * 1964 1/2 models included only the convertible and coupe
- * Fastback was introduced in the 1965 model year

* 1964 1/2 through 1966

- * Carroll Shelby introduced his GT-350's in fastback model (six convertibles exist from '66)

- * GT package is second only to GT-350 in desirability and value today

* 1967 through 1968 (they were a little bigger)

- * Shelby GT-350 was joined by the GT-500 (big block) in this era
- * Shelby also added a convertible to his offerings
- * Largely due to consumer outcry-started in Hot Rod magazine, a 428 was added in 1968
- * 428 Cobra Jet was a success and one of the fastest things on the street
- * You could order a Mustang and have the dealer put a 427 into it
- * The age of the "Specials" arrive: California, High Country

* 1969 through 1970 (even larger this time)

- * Mach I is introduced
- * Boss 302 is introduced
- * Boss 429 is introduced, women pick up children off the street
- * Shelby's get completely civilized, Shelby himself turns the program over to Ford
- * Body styles increase: Sportsroof, Coupe, Grande, and Convertible
- * Options go ballistic: GT, Mach, Boss, Grande, Specials, etc. etc. etc.

* 1971 through 1973 (REALLY Big!)

- * Boss 429 and Boss 302 are replaced by Boss 351
 - * 429 is normal engine option
 - * Shelby Mustangs are no more
 - * The age of the classic Mustang is drawn to an end (sniff)
