Condition unimportant. Dan - 481-2752

# The Wisconsin Early Mustangers

"A FEW TO PRESERVE THE BEST"

"The Feedbag"

March 5, 1984

From the Pres:

We had a very nice time at the club dinner. Good work Jerry Manning! The element of surprise worked nicely with the award presentations too!

The Swap Meets at Mecca, February 19th and State Fair, February 26th were very gratifying as far as responses to our club in general and to our upcoming Show & Swap - May 20th. The next couple of meetings we will be filling our volunteer lists. We need your help. Also, don't wait until the last minute to register your own cars for the show. We will be trying to tie together a nice club roundup as part of the event.

Looks like we will be getting the "red convert" out of storage about mid month. She will be pulled down to the bare bones again and a few more of the minor battle scars will be removed. After that we'll be putting the new top on and getting ready for paint. Hopefully it will be ready for the May 5 & 6th trip to LaCrosse. I know once I have a top on that doesn't leak there won't be a reason for rain on our road trips.....

Our thanks to Pete Yoss on the Universal Joint Seminar after the February 27th Meeting. Look for a Body Seminar by Mark Lien on Saturday March 31st at 10:00 A.M. He has a neat body rotisserie set up to give us a good view.

Well, I'd better get to cleaning out that mess I call a garage. Got to be ready when the "lil red stang" comes home. Keep in touch. "Keep on 'stangin'".

Dick Doria

THE MEETING - FEBRUARY 27th 1984

Under Old Business: A meeting for the Schwister Show & Swap Judges was set for 7:00 Sunday March 18th at Bob Beauparland's house.---A sign-up sheet was put out for those interested in helping with concessions or other general help at the Show & Swap.---Deposits for the May 5th & 6th trip to LaCrosse will be taken at the March meeting. See sign up form in newsletter if interested in going.

Under New Business: Mark Lein has planned a Technical Seminar For us on Sat. March 31st, 10:00 am, 7202 W. Appleton Ave. Subject to be a " Large Mustang Rotisserie " used to turn the car for easier repairs. Also Windsheild replacement.---It was decided to try giving away door prizes at our monthly meetings.---Because Parade Management said they prefer convertables, a decision to participate in the May 28th Menomonee Falls Memorial Day Parade has been delayed until we are sure they will take all Club cars.---The Early Ford V-8 Club has asked for our participation in their May 27th Show & Swap. A sign-up sheet will be put out at the March meeting for those interested.---Pete Yoss gave an interesting "Magical" U-Joint demonstration.

Next Meeting- March 26th, 7:30, Wauwatosa Savings & Loan, 27th & College

Do you have a Mustang that needs the windsheild replaced? If so, contact Mark Lein at 461-9544 before March 31st. A demonstrator is needed for the Technical Seminar. You can provide your own windsheild or purchase one from Mark.

Club Dinner - February 11th 1984

*Nice to see such a good turnout at our 4th annual club dinner held at Ashley's on February 11th. We had a whole room all to ourselves, bar and all!*

*The meal was very nice, with nary a complaint heard.*

*Several Club members were honored with above and beyond the call of duties awards. Bob Z., busily snapping away on his camera for each and every one.*

*Several stayed to chat afterwards, and a good time was had by all.*

Darlene Neisner

For those of you who missed our Club Dinner, you really missed a good time! Jerry Manning did a fabulous job organizing and planning everything. Thank-you Jerry!

Sign-up form for Lacrosse Trip May 5th & 6th

NAME \_\_\_\_\_

NUMBER ATTENDING \_\_\_\_\_

Please send this form with your \$15.00 deposit to, BOB ZIMMERMANN, 2307 W. Carrington Ave. Oak Creek, Wisc. 53154. DEADLINE is MARCH 26th. Reservations will be taken by phone at 761-2007, or at the March meeting, but no later than MARCH 26th.

TRIVIA: In the early '60s, Chevrolet and Ford waged a battle in the marketplace by introducing compact cars. What were the names of their first two models?
