" A Few to Preserve the Best "

From the Prez :

February 28, 1994

Just when you thought it was safe to go out in the Driveway, old man winter puts us back in our place. Well it's like the old saying, " If you don't like the weather, wait five minutes and it'll change. ". Let's hope so.

I'd like to take a few minutes to address something that concerns all of us. With our 12th Annual Show coming up the 22nd of May, we need to sign people up to help with the show duties. Over the past 11 years we have always managed to put on a great show. I don't think many would disagree. But every year we find it harder and harder to get people to volunteer their time that day to help with show duties. I am sure many of you recognize the faces that are there to help out, that's probably because they have been doing their job for a number of years. It takes a lot of time and effort to put on our show. From setting up the day before to tearing everything down after everyone has left with their show cars. It's hard work to put on a great show year after year. The people that have given their time over the last 11 years deserve to enjoy the show too. I don't think that it's too much to ask of club members to give an hour or two of their time that day to help out. We all need time to walk around and look at the cars and talk to our friends. There will be a sign-up sheet at the meetings between now and May. Please give a little of your time to help ensure we will have a great show for years to come. If you can't make it to the meetings, please give me a call at 567-2622 and we'll find a spot for you. I'd like to see an abundance of help this year.

On another note, I was able to attend the Chicago Auto Show again this year. Ford had a beautiful display for the '94 Mustangs along with showing the '94 Mustang Cobra Pace Car Convertible. The only disappointing thing was that Ford did not do anything special in the way of literature or collectibles to hand out. Maybe as April 17th nears, we will see more from Ford. Well that's all for now. Until next Time. Keep on Stangin !

W.E.M. EVENTS

The first two major Mustang events of the season are now history. They were the Club dinner and the bowling outing. Both events were well attended and everything seemed to go off relatively smooth. Thanks to those who participated. It takes your participation in our club events to make the planning worthwhile. Our next major event will be our Brunch run held on May 1st. By this time some of the ponies will be out of the corral and crusing time starts for the season. Looking forward to seeing all of you there. There is a sign up in the newsletter.

W.E.M. CAR SHOW

May 22nd marks our 12th annual Show at Schwister Ford. There is

a planning session at Sal Lorino's house on Sunday evening March 6th. All members are welcome to attend. We also need help manning the booths and parking cars the day of the show. If you can find the time please contact Scott Moen and offer your assistance. Looking forward to a bigger and better show than previous years. We will be celebrating the 30th anniversary of our favorite toy dont miss out.

CLASSIFIED ADVERTISING

There has been a long dry spell since I received any ads to place in the newsletter. Some of the new members may not know that they can place a free ad in our newsletter. Any ad that is received by the club meeting date will be placed in the next edition.

The ad does not necessarily have to pertain to Mustangs.

UPCOMING ARTICLES

Dick Doria has supplied me with an article he put together on a late model drive train conversion to an early model Mustang. This article will be printed within the next few months. Watch for it. Secondly, I have a companion at work that has just completed a very interesting paper for U.W.M. on the Mustang marketing stradigy. I have requested permission to reprint this in the Feedbag. Due to the length of this paper it will be run in segments.

Until Next month,
Fraternally Yours,
Bob Zimmermann
