THE FEEDBAG

From the Prez.

February 26 , 1999

Hi All. I hope that everyone is enjoying the semi-nice weather we have been having. I can't believe that the MCA 35th Anniversary show in Charlotte is only a month and a half away. I really need to get out in the garage and start cleaning up the '84 !

Well this is going to be a very short cover letter. We only had one event in the month of February. That was the bowling outing and what an outing it was ! There were a total of 82 people bowling, which filled up all the lanes. I know everyone had a real fun time. Our thanks to Bob & Sue Zimmermann for another great job setting everything up. A lot of hard work goes into planning these outings and it was great to see everyone there. Let's try and make every club outing as successful :-). We will look forward to next years bowling outing.

One last note to cover. By now I am sure all of you are aware of the February 1st boiler explosion at the Ford River Rouge Plant where the Mustang is produced. It's sad to say, but four people so far have lost their lives due to that catastrophe. I have been talking with the Mustang Club Center and I was forwarded the following info. If anyone would like to send cards of sympathy and support, or make a contribution to the fund set up for the families of the workers who were killed, please send them to

Well I guess this wasn't as short as I thought it would be. Take care and until next time , remember " Keep America Beautiful Drive a Mustang ! "

1999 GIMMICK BOWLING OUTING

GOODIE GOODIE GOODIE

It's time again to start thinking about collecting those Goodies for the show Goodie bags. I was a little disappointed last year that out of all our members only 4 came forth with anything to add to the bag. Please start canvassing the people you do business with and ask them for a trinket with their advertising on it. You would be surprised how many will respond. You can contact me (Bob Zimmermann) for pick up of goodies. If every member just hit one location it would be a big success. Best places to try are your bank or insurance companies. You give them a bundle every year don't you think it's payback time.

MUSTANG MUSEUM UPDATE

The final location of the Mustang museum has been narrowed down to two locations, Atlanta GA and Orlando FL. The decision of these two sites was based on tourist traffic. it was decided that between 300,000 to 350,00 annual visitors are needed to make the museum a successful entity. The estimated cost of the museum is \$30 million and will include interactive displays, Amphitheater, Parade grounds, and an IMAX type theater.. The Ford Motor Co. has donated \$1.5 million to the museum. This donation will be used to raise the addition money required to build the museum.

Until Next Month
Fraternally Yours,
Bob Zimmermann
