APRIL 2020

"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

Well, these are some trying times, for sure. There's not much to be said about our nation's health and stock market concerns that's not all ready's been said. I will leave it there.

Please congratulate Dave and Pattie Hartley as Mustangers of the year. They have been very participative in our club for some time. Congratulations!

Sorry to say our car show has been canceled for 2020. If you have picked up any raffle prize items, please hold them until next year. Hopefully next years show will be a great event!. If you have any ideas for a show theme for 2021, please let us know. Suggestions are always welcome.

We are still planning on for our **2020 Dearborn Over the Road Cruise**. Planning activities are in a short hold pattern until life gets a little more back to normal. We will post updates and more information as we move forward!

See you on the road very soon!

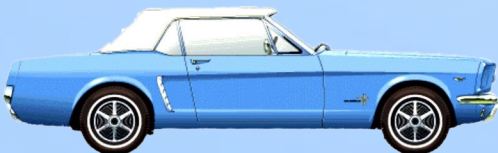

Glenn

Wisconsin Specialty Vehicle Alliance Overview

We are having Bob Doremire from the Wisconsin Specialty Vehicle Alliance attend our June 29th meeting to introduce to our members what this organization has to offer motor vehicle interested individuals. They are the ONLY organization in Wisconsin dedicated to the interest of motor vehicles and their owners.

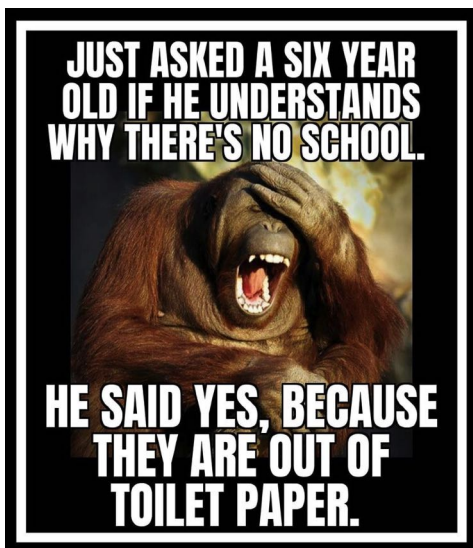

The Wisconsin Specialty Vehicle Alliance Corporation (WSVA) is a newly created non-profit, organization to represent, Wisconsin statewide, specialty vehicle enthusiasts.

This statewide organization is needed to create resources to provide for a watch dog group who can effectively alert specialty vehicle enthusiasts thru communication via social media, emails, broadcasts, distribution of flyers and educate specialty vehicle enthusiasts with copies of current Wisconsin specialty Vehicle regulations and statutes.

WSVA's goal, as specialty vehicle owners, is to make all specialty vehicle owners aware of their rights and alert them to any attempts to limit those rights. Providing the above information will allow specialty vehicle owners to challenge incorrect interpretation of existing Wisconsin vehicle equipment laws and continue to review for any threat of changes to the interpretation of the law for new specialty vehicle applications for existing and new specialty vehicle applications of title registrations in the state of Wisconsin.

When referring to 'specialty vehicle' the WSVA is referring to any changes to anything on a vehicle, no matter how small the modification from OEM it might seem to be.

More information can be found on their FaceBook page at: Wisconsin Specialty Vehicle Alliance
