"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

A Faster Horse. Those of you who read John Clor's piece each month in Mustang Times saw his article about the movie A Faster Horse. Those of you who went on the 2015 Dearborn Cruise also remember Dave Pericak bringing over the GT350R as a great treat from Ford. Dave was the Chief Design Engineer for the S550 Mustang. The movie goes through the development of the 2015 Mustang with what makes the Mustang one of the all-time popular cars. Like Dave points out in the movie, it is a great team that makes it all worthwhile and the task rewarding. I feel the same about The Wisconsin Early Mustangers, it is that great team that we have within our club that makes it meaningful.

502hp 428CJ, 4-wheel disc brakes, independent rear suspension, Conelec electronic fuel injection in a 1968 Mustang GT-SC. Yes! The notchback 1968 Shelby EXP500 aka **The Green Hornet**. A club member alerted us to this special on the History Channel about this Mustang and the 1967 coupe **Little Red**, its predecessor, 428 dual quads with dual Paxton superchargers.

Both of these special historic Mustangs stories can be found on Barrett-Jackson's web site under Media, videos. These are very interesting stories about their restorations. Web site: <https://www.barrett-jackson.com/Media/Home/Video>.

Boy, if that doesn't inspire one to get out their Mustang, we will have to check you for a pulse! It was fun driving the Mustang to Mondays meeting!

Coming up on **Sunday, May 2nd** of is our annual **Ice Breaker Brunch Run**. Be sure to get your money into Jack Winter and not miss out on another scrumpdiddlyumptious brunch in the beautiful Holy Hill area. As we mentioned last month the infamous Roger Nickolaus will be leading the pack on our cruise.

Things are looking up for our **WEM All Ford Show on Sunday, May 23rd, 2021**. With life returning to nearly normal, our show ought to have another great turnout. However, we can use your support in several positions during our show. Go to [SignUpGenius](#) on the internet to sign up or call Don Schultz, 414-331-4946, and he will be glad to help you find a position on our great show team.

What do you want?..... A Faster Horse!

Glenn

Eddie was driving down the road and met a car coming the other way. Although there was room to pass easily, Eddie forced the oncoming car to slow down and wound down his window and shouted 'Pig!'. Astonished, the other driver looked in his rear view mirror and swore at Eddie. Then his car hit the pig.
