The Feedbag ...what happened ...and what's happening

May, 2018

Hello Mustangers!

First of all, we are in need of a newsletter editor. Karen is stepping down after publishing the June newsletter. If we wish to continue to get our newsletter out to the members, we must have a volunteer. The club has many years of legacy newsletters to work from. Please contact me if you would be interested. My contact info is on the last page of the newsletter.

Our food fabulous fun frolic ice breaker run through the kettle moraine to the Fox and Hound is coming up this Sunday, May 6th. We always have a blast cruising in Mustangs on an outing with our club family to relish in a great meal and the fresh country air. We'll see you there!

Last month we received an invitation from the Cub Scout troop at Hoover Elementary school to show our Mustangs on Tuesday, May 8th. This mini car show is to encourage young people to take in interest in scouting and where they can learn about cars, collections, communities and clubs. The scouts will vote on a best of show. After the show we will cruise to Oscar's for a treat.

Our car show is rapidly approaching. There are a few openings available to help with the show. Contact Don Schultz with your choice of where to pitch in. We can use everyone's assistance in making this another fantastic show!

Be sure to get around to your local favorite locations to solicit items for the club raffle at the show. Let Scott Moen know what you have for the raffle table so he can keep track of our supporters.

Since we made a great impression with **Ford** a couple years ago, the **Ford Performance** team will be back again this year with their huge display trailer! Be sure to register your car for the show!

See you on the road!

Glenn
