Here we are in the time of year we like the best. Most of you have your faithful steeds back on the road. Some of us slow ones are putting the final touches on ours. I hope to see better participation than we had at our April 24th Rally. Might have been the long distance or bad weather that scared you off. (Or the loss of one hour's worth of sleep).

Any late interest in the first "over-the-road" event to Baraboo and Dells area for May 21 and 22? Get \$30 to Dick Doria. (You might even get a \$2 rebate if we get enough participation). This will include your motel room and the trip plaque. Cut off date will be the May 14th Swap Meet **IF** rooms are still available.

Our Fall "Swap & Show" committee is having their second meeting this Sunday, May 1st. We are all very enthusiastic about this event, as it will be our biggest endeavor to date. Unfortunately, I have to shoot out to Pittsburgh Sunday afternoon and won't make it. Tony Veight and his crew are jumping in with both feet and really getting the plans laid down. All participation is appreciated. This will be a "money maker" for the club, and you know that keeps your dues down. Not to mention the fun you'll have.

Another event coming up: Our May 14th Swap Meet at Milwaukee Engine & Machine Company on 79th and Lincoln. The last day to sign up with Pat Evans (321-6260) is May 7th. After that, we will open it up to anyone with Ford Parts. Pass the word around. For a "Grass Roots" type meet, we had very good success last year. Get those parts you'll never use out there and see if you can sell or trade them.

Lots of progress to report on Shar's orange 'Stang this month. Driver's side trunk floor, outer wheel house and repro quarter are in place. The engine has been pulled, engine compartment cleaned and painted, all conversion equipment has been detailed and the engine reinstalled. The front fenders were put back on the car. Now we have to put the rest of the front sheet metal together, straighten the hood and put on the safety equipment. Hopefully, we will be getting close to primer by mid-to-late May. We'll keep you informed.

May will be a busy month! Photo Day = May 8th. Swap Meet = May 14th. Over-the-Road Trip = May 21st and 22nd. And, the Menominee Falls Memorial Day Parade = May 30th. Get off your Differentials and participate! "Keep on 'Stangin'".

THE MEETING - APRIL 25, 1983

UNDER OLD BUSINESS: Officer Jim Brown of the State Highway Patrol was on hand to give us information and answer questions about registration and equipment modifications and legalities. personally asks for club participation. Let's show our hometown we're here — Tony Vielgitt gave us information on the Schwister Club Show and Swap on September 25th. Vendors = \$5 for members, \$10 for non-members. No "For Sale" signs on cars. Strictly Ford parts — Bob Wroblewski is setting up our Annual Club Picnic at Willowood Park on August 14th — Our trip to Kaukauna Raceway is June 12th. We need to know how many cars will be going — Sal Lorino is going to look into a better quality embroidered jacket — We may be making a one-night trip to Appleton for the Les Stumpf Ford Car Show — PHOTO DAY = May 8th. 8:00 a.m. to 11:00 a.m. at the Schwabenhof Lounge and Hall, N56 W14750 Silver Spring Drive.

UNDER NEW BUSINESS: Board Members will be contacted soon for a Board Meeting — Bob Wroblewski told us about a parade on July 24th in Sussex. It was decided the club will participate — The Rally for June 18th has been cancelled because Dave Yahn is unable to set it up. Anyone else who would like to set up a Rally for the club is surely welcome. Give Dave and Jackie a well-deserved hand — Dave Steege and Kathy Cahagan are getting married on July 16th. They've asked the club for 7 convertibles. If interested, contact Dave at 255-3739.
