"A FEW TO PRESERVE THE BEST"

"THE FEEDBAG"

May 1, 1986

From the Pres:

Well gang, we did it! The old black convert is ready to roll for our ice breaker this coming Sunday. The response for the May 4th Brunch run is pretty good. We are looking forward to it with great expectations. I really wanted to work on the body a little more this spring, but I think we'll make it through the season without too much shame.

Had a really active meeting last Monday. Lot's of participation from the group attending, and many good ideas got out on the floor. Much excitement surfaced about our upcoming Show and Swap on Sunday, May 18th. We hope to see all of you that day. Remember, even if you don't show your car, at least come and give your support to those who do. Again, don't be ashamed to show your 'stang if it's not a twenty thousand dollar restoration. We want to see those originals and daily driven ones too! Also, please encourage your Ford, Lincoln, Merc and Edsel friends to show their machinery. Don't forget we also will have excellent food and beverages available at moderate prices. This event keeps your dues at their present level, so give it your support.

June 20, 21, 22 will be the dates of our big "over the road" trip to the Mississippi River. We will try something different and stay in two locations for lodging. This will give us an opportunity to cover more ground with less wasted travel. An interesting side event may be in the wind if the time and location coincide. Look elsewhere in this newsletter for a sign up form for this trip. Fill it out and get it in as soon as possible so we can do a more effective job of planning the trip for you.

The time is here so get in gear!!!! Make this one exceptional year. As always, "KEEP ON 'STANGIN'".
