

Hi Ho Mustangers,

6/4/11

Without a meeting this month I forgot to write the cover letter. BAD TOM!!!!!! So, without further a due, I will start. The show was a big hit even though the attendance was down a bit with 239 cars. I did hear from a lot of people that the weather has been so bad that they have not had the chance to get their cars out before the show. This lead to a number of dead batteries, failed fuel pumps, and faulty suspensions. Now that the show is over we will all start working on the cars. Sue had the 68 there and it still needs the dash to be finished. I want to thank Jack and Vern, all those who volunteered for set-up as well as the day of the show, the venders, sponsors, and Ewald Venus Ford.

The brunch un was a big hit as always. Thank to Wayne for the day with 40+ members at the Fox and Hounds. Food was great and the ride better!! Jack's first club car nite was a bit of a rain out to the Gausthaus. I am hoping for better weather on June 16th so we can get the Quaker Steak and Lub in.

On the 19th Fox Vally has their show and I am planning to go. We did have a couple of them come to our show so I will reciprocate. The Windlake Show is coming up on the 26th. The OTR trip on the books for the 24th-26th is off to the best of my knowledge. I do know that this cover letter is a bit sparse but, I really need to get this to Joan ASAP. That is all for now, more next month.

Yours in Stangdom,

Tom

FROM THE EDITOR

Summer is just around the corner!

I would like to thank everyone who participated in our annual car show. It goes more smoothly every year! Its' always tough to pull it together, but somehow we manage to do it. We had a couple of new vendors this year and that seem to go real well. At least I tried them and like them. The DJ's were great again.....makes our day fun in the sun. Lots of raffle prizes, thanks for all the donation. And hats off to those who got those donations!

Now it's time to get our cars out and head to some cruise nights. Jack Winter has set our club's cruise nights up for this summer. He want me to remind everyone that the best website to find cruise nights and car shows is "wednesdaynightclassics.com". Do not e-mail him with more suggestions, this years are pick out, see the calendar for dates.
