

The Wisconsin Early Mustangs

"A FEW TO PRESERVE THE BEST"

"The Feedbag"

Dearborn Trip May 14-16

It was an overcast morning when we all assembled to leave on our trip. Dave Yahn's 351 Boss decided to spit out its oil filter, so with that problem quickly corrected we were on our way. Soon after our nine 'stangs hit the road the rains came. It continued to rain until we left for home. Once we passed through Illinois and Indiana we decided to stop for a bite to eat. We all received many compliments on our machines on route.

Once we reached our destination, the Dearborn Townhouse, we met for supper. The manager of the motel was deeply concerned for our "Happiness". Friday morning we met for breakfast then set out for the Henry Ford museum and Greenfield Village, both tours were well worth the trip. The rain may have slowed us down a bit but not in any way dampen our spirits. That evening we took over the local Pizza Hut for supper and a pleasant but fattening supper was had by all. Upon return to the motel Shar Doria was given a surprise birthday party, just like a '65 Mustang she's not getting older she's getting better. Before lights out a couple of "would be" Cribbage champs met their match against a couple of "Rookies".

Saturday morning the weather broke and it turned out to be a very nice day. We dusted off our Mustangs, started back to Milwaukee. We took a new route home the Ohio and Indiana turnpike. Once again many comments were directed towards our cars. Only one accident was spotted on the trip. A double trailer semi flipped its back carrier on its side.

We returned to the city limits at 7:00 PM on Saturday night. A fun time was had by all and it was difficult to say Good Bye to all our good CB Buddies. Here's to the next time. So long for now, MIDNIGHT COWBOY, MR. IN BETWEEN, THE SHADOW, ROCKET MAN, BLACK BEARD, TIGER, this is Double D coming at you.....

The Meeting May 25, 1981

Memorial Day 1981 once again proved to be a beautiful day. Our regular monthly meeting was held at the home of Bob Wroblewski and once again Bob and Judy did a fine job of hosting the meeting. A special thanks to Judy for the coffee and bakery.

Under old business members were reminded of our club picnic which will be held on August 16, 1981. The picnic committee members are Bob Wroblewski, Norm Kadow, Dick Strack. More about the picnic at the June meeting. Bob Beauparland gave us all a short report of the Dearborn trip.

Our club is currently planning a one nighter trip which will take place late July or early August. A joint picnic-meeting on July 19th is also in the making with the Early Ford Group, more details at the next meeting.

2511 W. Carrington Ave. Oak Creek, Wisconsin

Anyone interested in going to the Union Grove meet are to call Bob Wroblewski as soon as possible at 252-3335.

We are also invited to the Les Stumpf all Ford Show in Appleton Wisconsin. This will take place on June 7th. Anyone interested in attending this should contact Dick Doria at 761-2267.

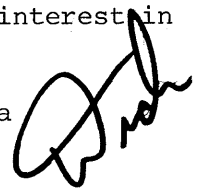

Under new business we are planning a repeat of last years Door County Trip sometime in October of this year. A parade participation on August 9th is being planned for by Wayne Witte this would take place in Lebanon Wisconsin. Dave Yahn has found a member of an older Mustang Club that is willing to share some of his organizational expertise with us.

The meeting was closed and we followed Bob Wroblewski to downtown Menomonee Falls to partake in the parade. Once again it was a pleasure to participate in this annual event. The parade was as great as the weather. The best part was the assembly after the parade to share a few horse tails with the club members and local residence. We even signed up a new member on the spot, Donna Schrage, we all wish you Welcome.

From The President

Not to much to add this month due to me doing the verbage for the Newsletter. Just a reminder to all enjoy your Mustangs safely this summer. Our level of participation in events and meetings in on the rise. Keep up your interest in our club. Lots more coming up in the future.

Dick Doria
