

# The Wisconsin Early Mustangs

"A FEW TO PRESERVE THE BEST"

"THE FEEDBAG"

June 3, 1985

From the Pres:

Thanks for joining me at our "open air" meeting on May 20th. I really enjoyed seeing you all in such a healthy turnout. Talk about healthy: I was really impressed and very proud of all of you who through their participation and hard work, made our May 19th Show & Swap the best ever. Thanks to the guy upstairs for the super weather. The cars, the food, the people, the day it was great!!

I'm writing this in the Louisville, Kentucky Airport. I'm trying to leap frog two assignments and make it back Wednesday night for Andrea's graduation. If I make Omaha, Nebraska by nightfall I can be on the start-up tomorrow and back in "Beer City" by Wednesday afternoon. This is one of the few weekends I was on assignment straight through, but it is worth having the next one off for our club Galena trip.

There are many more events coming up this summer that we will be participating in. Officially and not. Keep your eyes on the calendar of events to see what is happening. Even if you can't make the meetings due to work or whatever, try to enjoy some of our activities. They are mostly scheduled on the weekends. We are always looking for new destinations for our "over the road" trips. Day trips and one nighters. So, if you think you have something worth consideration, let us know.

If any of your family members have a son or daughter of driving age and interested in Mustangs they are eligible to receive an associate member card under your number. The only requirement is they are living at your residence. There is no charge for the cards and it may help promote the feeling of belonging. Give me a call or drop a line if we can help with this.

I won't be in town for the June 24th meeting but we'll be thinking of you. Make sure lots of you attend and keep Bob Z. working hard.

Got to catch that plane now gang. Keep in touch, and you know "Keep on 'stangin' ."

Dick Doria

The meeting was held outside due to a mix-up in scheduling the meeting room.

Sal gave a brief report on how our Schwister Snow & Swap went. Dick said thanks to everyone involved. Sharon gave the tres. report. The snow brought in a total profit of \$1187, unofficially.

A preliminary sign-up sheet was put out for the Oak Creek 4th of July parade to get an idea of how many are interested in attending.

A sign-up was also put out for the South Shore Water Frolics Parade held July 13th. More info on where to meet and when at the June meeting.

A sign-up was put out for those interested in attending rail road Days at Rail America in Green Bay on July 20th & 21st. See sign-up form in this news-letter.

Jim Comers from the Model A Club was at the meeting to give us more info on their 5th Annual Show & Swap Meet, to be held at State Fair Park on July 20th & 21st, and their plans to feature the Mustang to honor it's 20th birthday. Members who participate could either drive their car home at night or leave it at State Fair where there will be tight security. Jerry Manning will be in charge of handling Club members sign-ups.

The Picnic Committee members will be getting together soon to put together our Club Picnic to be held August 11th.

\*\*\*\*\*  
NEXT MEETING: June 24th, 1985, 7:30, Wauwatosa Savings & Loan, 27th & College  
\*\*\*\*\*

- 29-Wisconsin Early Mustangs Monthly Meeting.

## Schwister Show &amp; Swap Report

Whew! 1985 Car Show & Swap Meet is history, and a great one it was. Due to the super weather, we had a turnout of 159 cars registered, and regretably had to turn some away. Hopefully, next year we will be able to use more space and accomodate all of those that show up.

I would just like to write a letter of thanks to all of the key people who helped plan and organize the show, starting way back in October of 1984. Many hours of planning and meetings and phone calls. As all of us can see by the results, and by all the feedback from people, our show has gained much deserved respect from all the Ford people in town. Not only was the show a tremendous financial success, but drew 159 of the finest automobiles ever assembled on one lot.

At the May 20th meeting, I kept the thanks and everything to a minimum due to the outdoor meeting. By no means did I forget anyone who gave us 100% on show day handling all kinds of duties. I know I tapped on some shoulders a little more than others, but I recieved nothing less than total cooperation. All of you know who you are and I know some people who really enjoyed being part of this tremendous success. They have already volunteered for more duty in 1986.

As the unofficial chairman of the 1985 Show Committee and the entire board of Wisconsin Early Mustangers all of you have our deepest and sincere thanks.

For fear of forgetting some names I will not go into them, as there are just too many. Although some come to mind such as Dave, Judy & Jim, who handled registration(a tough and thankless job). Dick, Bob, & Jerry, very pro job of awards and managing club table. Middle Bob with his troupe handling parking (and everything else). Rich, collecting bucks along with Ron, & Ron, & Ron, who must think I like the name Ron! Shirley & Shar, and all the gals handling the food. Tom & Vern, the beans were great! Greg, Dick, Tony, & Judy responding where ever needed. Everyone of you deserve a huge pat on the back, and those whom I mayhave overlooked, please let me know, I'll pat your back myself. This may seem like a lot of people involved, but believe me, we could have used more help. And I'm sure once you try it "you'll like it".

Sal Lorino

## ! IMPORTANT NOTICE !

Due to unforeseen circumstances, Hebron has cancelled their corn roast on July 28th. So unfortunately our one day trip has been cancelled also. We will try to schedule it for next year.

RAIL ROAD DAYS  
Rail America, Green Bay, wisc.  
July 20th & 21st, 1985

Terri Moore needs to know how many cars & people plan to attend Rail Road Days by July 1st. If you plan to go, please fill out the form below and send it to Kelly Beauparland, 7002 W.
