" A Few to Preserve the Best "

From the Prez.

May 26, 1995

Well it's over for another year. But it was fun while it lasted. Of course I'm talking about the 13th Annual Wisconsin Early Mustangers Car Show. The day could not have gone much better. The weather was perfect, the new location was everything we hoped it would be, and the last official count showed 184 show cars registered. I had the opportunity to talk with quite a number of people that came to the show, and the overall response was fantastic. It was finally nice to have enough space to accommodate each individual class. Even if we did overshoot our estimates in the late model Mustang classes by 100%. I'd like to take a moment to thank everyone that helped out with the show. It was a long day for everyone involved, but I'm sure everyone would agree it was well worth it.

I'd also like to thank all the businesses that supported our show with their trophy donations. Please remember to support them whenever possible. I would also like to offer my thanks, as well as the whole club's, to Mr. Ed Witt and his great staff. They helped out wherever possible and provided us with a great location for our show. We look forward to many great years ahead with them. Thank you again!

On another note, we have heard from the Mustang Club of America (verbally) that our application to renew our MCA club charter, has been approved. I will be keeping a roster of club members who are also MCA members. We'd like to encourage everyone to think about joining the MCA. However, it is not mandatory. If anyone is interested in joining, please let me know so I can add you to the MCA roster. I will keep you all informed when written confirmation is received.

Well that's about all for now. I hope that everyone who attended the show had a great time and we will look forward to doing it again next year. Plans are already in the works. Until next time Keep on Stangin !

Scott

MINUTES FROM MEETING HELD MAY 22ND

- The meeting was called to order by president Moen at 7:30 PM.
- New member Joe Joestgen was introduced.
- Guest Mike Fielding was introduced.
- Sharon Doria gave the club financial report.
- Mary Jo read the minutes from the previous meeting.
- Mike Ksioszk, A guest at our meeting, made a request for help for his upcoming wedding. He would like to surprise his future wife with a Mustang to chauffeur them after the wedding service. The wedding will take place on October 21st. He would prefer a '66 coupe, but any help will be appreciated. If interested call his mothers house 442-8826.
- Dick Doria reported that 3 people attended the tech seminar, given by Lisa Housey and himself. Dick would like to give future seminars, but would like some input as to topics.
- The Ice Breaker Brunch Run held May 7th was a success. 26 people and 13 cars traveled to The Interlaken in Lake Geneva and enjoyed the first official day trip of the season.
- An in depth report of our show was given by all committee chairman. 184 cars were registered. The new location proved to be a great move. Parking and organization of our show cars was one of the biggest pluses of our relocation. The cost of the entrance to the swap area was brought up and discussed. Scott thanked all those who helped make this years show another success. We will return next year. A special thanks was given to Ed Witt for allowing us to store our show supplies at his location. Ed Witt suggested that next year we could possibly use his showroom to display some vintage automobiles. A special thank you to all donors will appear in the newsletter
- The day trip to Volo on August 5th was explained by the organizer Jack Winter. This will be a joint trip with The Badgerland Mustang Club. There will be accommodations for a picnic style lunch provided for us on the grounds. Plans include a stop in Richmond, to do some antiquing, on the return trip. More information and flier will be in next months newsletter.
- Any South siders planning to travel to Fond du Lac for the day trip on June 3rd and 4th should meet at the Wauwatosa Savings bank on 27th just off of College at 8:30 AM on the 3rd. Dick Doria will leave from that point If you would like to meet on route call Dick and make arrangements..
- The club picnic will take place on June 25th. The location will again be Willwood park located on 147th and Silver Spring Road. We welcome members from the Midwest and Badgerland clubs. It will also be club picture day. Pictures of your car will be taken at no cost to you.. The time 9:00 AM to 3:00 PM
- Scott would like to start another jacket order. The cost of the lined, embroidered jacket would be approximately \$70. We will put an official sign up in next months newsletter. Because of processing costs it is necessary to have 12 jackets on each order.
- We have received verbal acceptance of our application to the Mustang Club of America. If anyone is interested in joining the MCA please contact Scott for details. Annual dues are \$30.
- The meeting was adjourned at 8:35

FROM YOUR EDITOR

'95 CAR SHOW

The new show location at Venus Ford in Cudahy proved to be a wise move. Although we were down in the amount of show cars, the future looks bright as this facility has a lot more to offer. We can accommodate at least 50 more cars than we could in the past. The layout of the parking lot allows us to better place cars by class as opposed to scattering them all around. The layout inside was much more attractive to house our food and swap areas. The way the entrance of the lot is laid out allowed for expeditious parking of the show cars. The management of Venus was very helpful in working with us on the show. We look forward to a long and prosperous relationship with Ed Witt Venus Ford.

DAY TRIPS FOR JUNE

We have 3 trips planned for the month of June. One overnigher on June 3rd and 4th and two day trips one on the 17th and one on the 18th. The initial response is light for all three trips. It was

decided to proceed with these trips regardless of the turnout. In previous years we would have canceled them for lack of participation. For future trips please let the club trip organizer know if you plan to join in. Our trip coordinator is Fritz Dowe.

ANNUAL CLUB PICNIC

Our annual club picnic will be held on June 25th at Willowood park on 147th and Silver Spring in Menomonee Falls. The time is 9:00 to 3:00. It will also be our club picture day so shine up those ponies and come on down. We welcome members from the Midwest Ford club and the Badgerland Mustang club. Bring your own lunch and drinks.

TECH INFO

It has been requested on several occasions that we begin publishing more technical information in the newsletters. The interest would be around various tips on restoration, maintenance or basic automotive troubleshooting. If you have

any articles or expertise along these lines please forward to me. I will use it in the newsletter. Try to limit to one page.

PHOTOS

If you take pictures of any club outing or event I would be interested in getting them to publish in the newsletter. I also would be interested in pictures of your car and a brief history of your restoration efforts or any thing that makes this car unique. All pictures sent to me would be returned.

CLASSIFIED ADS

Just a reminder that there is no charge for placing an ad in our newsletter. I only request that you mail in your ad instead of phoning them in. By mailing it in I will know exactly how to phrase the ad. I have been known to lose phone messages.

Until Next month,
Fraternally Yours,
Bob Zimmerman
