"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

First of all, really are glad to see our great state of Wisconsin is opening back up! We have patronized a few eating establishments and enjoyed a good Wisconsin Brandy Old Fashion or two!

Our Wisconsin Early Mustangers member, Scott Bingenheimer, has suggested posting pictures up on our FaceBook page of Wisconsin Historical Markers, or other historical markers you run across. Please, if you can, get your Mustang in the picture!

I know some have posted pictures and it is a fun way to justify a reason to cruise around our state. Check them out in the community section of our FaceBook page.

John Surges is putting together a virtual car show. In leu of our great All Ford show, John will be glad to put your car(s) / truck(s) / van(s) up in the virtual car show world! John has details in the newsletter as to what would be nice to include with a few pictures of your ride. Oh, if you had a cool Mustang or a far-out Ford in the past and still have pictures of your ride along with a story, send it on over to John! That's the cool thing about a "virtual" car show, you can take your ride from the past to it! So, dig out those old photo's!

See you at our next meeting on **Monday, June 29th**. We are planning to have a June meeting! Location, hold on to your shorts, we will have it at the Lions Legend Park, 8717 West Drexel Avenue in Franklin. This would be the same location as we have our annual picnic.

On that note, there is the possibility that WaterStone Bank may never allow the use of their meeting room to outside groups down the road. If you have a suggestion for future meeting locations, preferably for free, please let Tom or I know. We would appreciate your help.

Right now, we are looking to still do the **2020 Dearborn Over the Road Cruise**. We have asked around in Detroit and places are planning to open up in June and July. We have also sent out requests to our Ford contacts asking what things are like / open in the Detroit to make a final decision about our cruise. We will have a go / no-go decision by the end of June. If you believe you are interested in going on the cruise, please contact the Best Western, Allen Park **before** July 21st. See details inside the newsletter.

Car show alert!!!! If you have an urge to hit the car show scene, Fox Run Lanes in Waukesha is having their weekly Wednesday Night Classic Car Show starting this coming June 3rd! They have food, live music and some sweet rides. I'll see you there!

See you on the road again!

Glenn

Mustangs & Markers

Get Going, Get out, Get'em while they're hot

How many times do we drive past the small brown historical site signs in this state? We drive right on by wondering what happened, but never take the time to actually read them and maybe learn some obscure, but interesting historical event that once happened there. What if Mustangers, while taking their car out to drive (gas is cheap) see a sign, stop to read what happened, take a picture of themselves and their Mustang in front of the marker, post the picture on the WEM Facebook page [WEM Facebook](#) (or send the pic to someone to post) as proof that you were actually there. This could be a way for us to stay socially distanced and still have an opportunity to enjoy our Mustangs and also learn something about our state. Feel free to include any interesting stories of your marker quest or your experiences social distancing.
