

Hi Ho Mustangers,

7/1/10

This has been a busy month. To start the month activities was the cruise nite to Cousin's in Muskego with the turn out smaller than last year but still a nice show. We then moved to the Fox Valley show on Father's Day. They had 98 cars or so witch I think was up from last year. Then we moved on to Deerborn trip that was outstanding. My thanks go out to Dawn R., Don S., Dave H., and Roger R. for all the work they put in to this 4 day trip. Great Job!!!!!!!!!!!!!!!!!!!!!! Dick Doria saw us off but had to stay behind us he was on the books for a visit to the O.R. and I am happy to report is doing great. On Wednesday afternoon however, he had a minor set back as he needed to go in for some unplanned eye surgery. He is really on the mend now and doing fine.

Some up coming things for this month will be the Soernen's Ford Show on the 18th, Iola 8-11th and another cruise nite to Haven City. All the events are on the club calendar so take a minute to check them out and I hope to see some WEM members at theses functions. At the July meeting nite all chair and committee heads are requested to be at the bank at 630pm for a short show recap meeting.

In early Aug. is the marsh run and details should be in this month's newsletter. Also

Aug 14th is the club picnic so call Tom or Sue to let us know if you are going to attend. It will be the same as in the years past. This will be the last year that Sue and I will host this event but, we do have some members that have stepped up to take over for us. We have been doing this event for over 10 years and have watched it grow from 25 members to over 75. Our thanks go out to all of you for making us look good. Please join us in our swan song and make this the biggest ever!!!!!!!!!!

In a final thought WEM member Don Kintop lost his mother in the month of June. Please keep him in your thoughts. That's all for now, more next month.

Yours in Stangdom,

FROM THE EDITOR

Loving the sun!!

This newsletter is full of lots of information. I hope I didn't miss anything. It's been such a busy month and summers only just begun. There always so much to do, so as always check your calendar.

The cruise night for July is at Heaven City. I highly recommend going. It seem to be a big draw for our club members. Lots of cars and some great food. (July 19th)

As always, the Miller's are doing the WEM annual picnic at their home in Aug. Don't forget!! It's a great time to see everyone and meet new people. Contact Sue/Tom for questions.

I hope everyone has a safe and wonderful summer. See you at July's meeting, if not sooner!

Attached are Sponsor pages for those who donated items for our show. E-mailed club members will get, but mail not. I will have a copy at next meeting for those who would like to see list.

Joan Searing

Thank You Sponsors!!!!

Dearborn 2010 – Recap

The Dearborn trip was, by all reports, a success, attended by 21 club members in 11 cars (8 Mustangs, 1 Thunderbird, 2 Toyotas). Planning the trip was a group effort: I arranged the itinerary, Don Schultz planned the routes within Dearborn/Detroit, Dave Hartley printed the maps in color for everyone, and Roger Nicklaus led the group to Dearborn. Special thanks to Jack Winter's son, Dan, for helping us select our hotel which turned out to be terrific. And our club photographer, Steve Klein was on hand to thoroughly capture all the memories.

On the way to Dearborn, our lunch stop in Kalamazoo, MI couldn't have been planned better. The Greek restaurant we picked at the last second had two tables in the back already set up for a large group and we were welcome to use them.

And it wouldn't be a Mustang road trip unless we got separated along the way, which of course we did. But all that matters is we all ended up in the same place, safe and sound.

Visits to Roush Performance Products, the Roush Collection, Daly Restaurant in Livonia, the Ford Estate (Fair Lane), the Piquette Avenue Ford Plant and The Henry Ford all fell into place. Many members opted to visit Greenfield Village since we were blessed with a nice, warm day. Our club dinner at the hotel was enjoyed by all.

The group split up for the drive home, some opted to leave earlier and stop in Kalamazoo to visit the Air Zoo. Others drove home at their own pace. My car had been overheating in Milwaukee, so I was thankful that 3 other cars stuck with me almost the entire trip home (thanks Don & Judy, Tom and Sue and Dave and Patti!).

Thank you to everyone who came on the trip, trusting me to set up an enjoyable tour. As relieved as I am that it's over, it's possible I could be talked into doing it again in 2015.
