The Feedbag ... what happened ... and what's happening

July, 2019

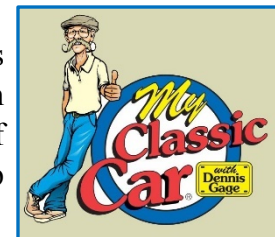

Hello Mustangers!

Man, this rain continues! Makes planning to attend cars shows a challenge, for sure! Karen & I have been out at a couple local shows and lucked out and had no precipitation to dodge.

For the 12 car owners that signed up for the **Iola Car Show Cruise**, the show packets from the Iola Car Show staff have been sent out and you should be seeing it by July 1st. We have a cruise route put together with times and locations that will be emailed out around July 1st.

If you have an opening on **July 21st**, stop out at the **All Ford Roundup** at Soerens Ford on West Capital Drive in Brookfield. If you can, they could use some help with their show. Stop in at the show table and see if you can lend a hand.

I would like to solicit your participation to attend the **Milwaukee Concours d'Elegance** on **August 4th** from **10am – 4pm** and show your ride in their Show and Glow Paddock. To sign up, go to their website: <https://www.milwaukeeconcours.com/> to get your tickets. If you do sign up, please let me know. If we reach 10 or more cars from our club, the **Milwaukee Concours d'Elegance** staff will setup an area for us. Dennis Gage of My Classic Car will be there to produce one of his shows. He only does one Concours d'Elegance show per year. Catch up with him when he is touring the show.

The **Dick Doria Door County Fall Color Road Trip** is on for **October 11th – 13th**. Be sure to contact the AmericInn in Sturgeon Bay to make your reservations. The number is (920) 743-5898 and mention the you are part of the Wisconsin Early Mustangers. Boy, I can just taste that awesome fried chicken at Susie's!

See you on the road!

Glenn

-----MUSTANG TRIVIA-----

- ★ -The Mach 1 returned in 2003 with a 305 horsepower V8 under a signature ram air "Shaker" hood scoop. The newly redesigned SVT Cobra produced 390 supercharged horsepower.
- ★ -In 2004 Ford produced its 300 millionth car, a Mustang GT convertible 40th anniversary edition. The 2004 models were the last cars built at Ford's fabled Dearborn Assembly Plant which had been building Mustangs since the car's
- ★ -In 2005 production of the all new Mustang moved to the Flat Rock, Michigan Plant. The Mustang's V6 engine was increased to 4.0 liters and the V8 increased to 300 horsepower.
