"A FEW TO PRESERVE THE BEST"

THE FEEDBAG

July 17, 1986

From the Pres:

Hello, from the tropics of Chicago. It's almost 100 degrees outside this hotel today. Thank goodness that the plant we're working in is air conditioned. I sure like the nice summer weather, but not this stuff.

We sure had a nice time on the June 20-22nd over the road trip. Seems like the rest of the group did too! We were going to try to schedule one for August 10th but time will not permit it. We might try to do a one nighter in the month of September. For sure there will be a one and two night optional over the road on October 10, 11, and 12th. It will again be at the Maritime Inn in Sturgeon Bay. Many of those attending last years Door County trip asked us to consider the 2 day format for our last major trip of the year. We decided to make it a 2 nighter with a 1 day option for those that could not get away on the Friday. We are planning on trying to attend a traditional Friday night "Fish Boil" somewhere in the area. Also, by going earlier in the month of October, we hope to hit more of the "color Change" period of time when the multi-colored leaves are still on the trees. Look for the sign up elsewhere in the newsletter.

We are expecting delivery on our computer system in the very near future. It is an expensive step, but one which we have planned for sometime. Once loaded and in operation it should give us such expanded capability as far as our normal business activities, plus additional capabilities involving shows, supplies, and even a parts exchange in the future. I know it will make our job much easier in administering the club for you. We worked hard to be able to purchase the unit so we finally will appreciate the facets of our labor.

Our signing for the August 24th Baseball outing was less than spectacular. Those that are signed up will be treated to a pretty nice tailgate party on

Final deposits were taken for the Brewer Baseball Tail-gate Party to be held August 24th.

Our Annual Club Picnic will be held August 17th, at Willow Wood Park, 10:00 to 4:00. Beer and soda provided by the club.

A fall two-nighter is being set up for Oct. 10, 11, & 12. This date is only tentative, and if you'd like to go for only one night, thats OK.

Jerry Manning got us a deal on a computer. Total cost between \$1400-\$1500. Extras included.

A one-night trip has been tentatively set for August 9 & 10. Destination ideas were Mishicot or Fox Hills.

After the meeting, Sal brought along a video of the our car show to show us. Hilarious to say the least.

Also after the meeting there were some people to talk to us about our Carribean Cruise being planned for ~~June~~ '87.

Congradulations Don Bauer on winning the door-prize of a club ball cap.
