THE FEEDBAG

" A Few to Preserve the Best "

From the Prez.

July 31, 1997

Hello to one and all ! I trust that everyone is enjoying the summer and all of the car shows that are going on. Tammy and I sure are. A couple of weeks ago we spent four days up at Road America for the Shelby American Automobile Club's annual convention. All in all, the weather cooperated with us. It was sunny the first three days and extremely HOT ! Boy what a surprise for July in Wisconsin, right ? There were more Shelybs and GT-40's than you could shake a stick at. The turnout was a little less than was expected , but what a blast watching those cars race around the 4 mile track. There were a few wrecks. But more importantly, no one was hurt. Just a lot of bruised and battered sheet metal ! I counted at least six original GT-40's in attendance. The prototype 427 Super Cobra Daytona Coupe was up there putting a lot of laps on the odometer. I give those guys a lot of credit , putting multi-million dollar cars out on the track. All in the name of FUN !!!! That's just as it should be. One particular high point of the show , for us, was getting to meet Carroll Shelby , and getting his autograph. The man was as pleasant as could be and joked around with everyone in attendance. Tammy even got her picture taken with Carroll. It was definitely worth going. It did rain on the last day. Of course this was the day of the car show. All in all a great time and we got to meet some super people.

Speaking of rain and car shows , Tammy and I , along with a number of our members, attended the Soren's Ford car show on the 27th. They had a great turn out for the show, 190 + cars. And with the exception of a rain delay of about an hour and a half , it was a beautiful day. Luckily , most participants has gotten there before the rain started and just had to wipe the cars down after the rain stopped. It was a lot of fun for all as normal. Great job Super 60's !!!

Lastly, we had our first show and shine club meeting on the 28th. The turnout was good and the cars were beautiful. Thanks to all that attended ! We will definitely do this again before the year is out. Also , I hope to see a lot of you at our first Ice Cream cruise this Friday the 8th. It should be a good time for everyone. The details are in the newsletter. Well until next time Keep on Stangin !!!

From the Pres. (Retired that is)

July 30, 1997

It was good to see many of you and your cars at the monthly meeting Monday. I'm sorry that I was not more energetic. I had been up since 3 AM doing a Oreo line start up in Chicago. I had to go back down after the meeting. That's not so bad, I'm writing this in Richmond, Virginia. Got the word to attend a meeting here Tuesday mid day. So it was a drive back to Milwaukee (again) and a plane ride late last night. Ah, the "good life".

Back to the Monday meeting. I noticed something there that has been missing for a while. Signs of life. It seemed that people actually wanted to do something, with their cars. The cars at the meeting were great. I saw people actually opening hoods for other than show reasons. They were sharing information and experiences on "real machinery". There might be some hope for this group yet. A nice visit was paid to us by Bob and Shirley Beuparland. They were some of our earliest members, back from 1980. They shared some of their albums from the early day activities. It was neat.

One of our youngest members is setting up a small cruise Friday night August 8th. I hope that he gets some support. I'll be there if I am in town. He is enthusiastic about the club and is doing his thing to be active.

My right arm is about 90% back to full strength. I am accumulating the parts. Hopefully the schedule is going to work out. If so, we will present the seminar on the Granada/Monarch to early Mustang brake conversion. (drum to disc) My plan was to do one side to get the procedure smooth. Then on a Saturday morning we would do the other side as a seminar. This would include a replacement of the upper and lower control arms as well as the brake conversion. If all goes well it will be late September.

The word is out. Door County 1997 is ready for sign up. Bob will have a sign up in this newsletter. As of the Monday meeting we have one third of the rooms gone. Please, get your deposits in early. Then if we see the need, more rooms could be added. This is the traditional "big one" OTR. Sad to say it may be the only real one this year. Just think 2 1/2 days of driving, talking and over eating about Mustangs with fellow Mustangers. We're going to throw in the Friday night gambling side trip to Oneida again. (for those who didn't learn last time). LET'S HIT THE ROAD!

I'll try to keep in touch. Always a pleasure to see you. Remember, "Keep on 'Stangin'".

MINUTES FROM MEETING HELD JULY 28TH

- The meeting was called to order at 7:20 PM by president Moen.
- Colleen Gawin read the minutes from the June meeting
- The treasurers report was given by Dick Doria.
- Past members Bob & Shirley Beauparland stopped by and shared some of their many photos Bob took on previous Mustang outings.
- New member Jim Helsinger was introduced.
- Matt Nugent reported that a cruise night has been set up for Friday August 8th. There will be more info in the newsletter.
- A report of the Iola show and swap was given.
- Shelby Road America was a big success. Caroll Shelby was at this event. Sue Dowe got a chance to get her car out on the track. The evening buffet turned out to be somewhat of a disaster due to rain and high winds. The evening program was canceled.
- Scott stated he needed the money for the sweatshirts which will be ordered this month. If you have ordered a sweatshirt please get the money to Scott by next week.
- Sorens Ford had a successful show. There were 190 entries. Many of our club members were lucky enough to win a trophy for their entries.
- The date for our 1998 show and swap has been set for May 31st. Hopefully we will not be competing with Waukesha for vendors. The loss of vendors was the prime reason we did not realize a profit from our '97 show.
- The dates of many upcoming shows was discussed. These dates appear in our monthly calendar. The group was reminded of the Midwest Ford show held in Antioch IL on August 17th. Anyone wishing to travel in a group should meet at Wauwatosa Savings bank at 8:00AM
- Details of the Door County trip were explained by Dick Doria. A sign-up will be in the newsletter. Dick reminded members to respond quickly. There are 13 rooms booked and will be given out on a first come first served basis.
- The meeting was adjourned at 8:15.

DAY TRIP?????

YES WE HAVE A DAY TRIP
(WE EVEN HAVE A DESTINATION)

Mark your calendars for Saturday September 20 for we are taking a cruise to the North. Our first destination will be Zunkers car museum in Two Rivers. The Zunkers have a private vehicle collection and for \$3.00 they will be more than happy to tell us about it.

After the auto museum we will drive southward, down the lake shore, and stop for lunch at the Lighthouse Inn.

Our second and final destination Will be the Word War II submarine museum in the Manitowoc harbor.

No money needed. We will pay as we go.

Our planned meeting place will be the north side of Port Washington. Exit at highway 84 / Port Washington ramp. Meet in the park and ride across the street from Allen-Edmonds shoe bank. We will leave from there approximately 9:00AM.

If you plan to attend this outing please call me before September 20th so I can get a headcount.

Any questions can be directed to Fritz Dowe 414-268-0147

PS I am always looking for suggestions as to other trip destinations. If you have a place in mind please pass it along

DOOR COUNTY GETAWAY
