"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

We have the two favorites from the **2020 WEM virtual car show!** With 23 great entries, the two top vote getters were: **John & Chris Falkner's 1971 Wimbledon White coupe** and **Daryl Spoerl's 50th anniversary Shelby GT-H!** Congratulations!

For another month, we would like to continue to have members post pictures of your ride at Wisconsin Historical Markers, or other historical markers, on our FaceBook page. When you stop by a marker be sure to get your Mustang in the picture! It is a fun way to justify a reason to cruise our great state. Go to the community section of our FaceBook page to view the postings.

Now that we are having our monthly meetings at **Joe's K Ranch** at 4810 South Whitnall Avenue in Cudahy, please patronize them as they have offered us an attractive opportunity to meet there. Also, **Joe's K Ranch** is hosting a car show and corn roast on **Sunday, August 2nd** starting a 10:00am. There'll be plenty of food, music and cars!

Our **club picnic** is on for **September 12th** at Lion's Legend Park in Franklin. Watch the newsletter, web site and FaceBook page for details.

We are still on plan to go on our **Dick Doria Door County Color Run** for **October 2nd thru October 4th**. Be sure you contact the **AmericInn** in Sturgeon Bay to guarantee your room. Some places are open, a few have limited access and very few are closed. But the fall colors will still be there! Of course, **Suzie's Place** will be another outstanding family style chicken dinner on our way north!

When you get a chance, get out and visit a car show. If you would like to find a car show in your area visit the Wednesday Night Classics web site for a calendar.

See you on the road!

Glenn

Get Going, Get out, Get'em while they're hot

How many times do we drive past the small brown historical site signs in this state? We drive right on by wondering what happened, but never take the time to actually read them and maybe learn some obscure, but interesting historical event that once happened there. What if Mustangers, while taking their car out to drive (gas is cheap) see a sign, stop to read what happened, take a picture of themselves and their Mustang in front of the marker, post the picture on the WEM Facebook page [WEM Facebook](#) (or send the pic to someone to post) as proof that you were actually there. This could be a way for us to stay socially distanced and still have an opportunity to enjoy our Mustangs and also learn something about our state. Feel free to include any interesting stories of your marker quest or your experiences social distancing.

CORDELIA A. P. HARVEY

Wisconsin women rallied to support the Union during the Civil War. They became nurses, hospital matrons, sanitary agents, and ministers. Cordelia A. Perrine Harvey attained national prominence for her role in promoting convalescent aid for sick and wounded soldiers.

Cordelia had moved with her family to Southport (Kenosha) in 1840. She married Louis P. Harvey, who became governor in 1862. That April, Governor Harvey drowned while visiting Wisconsin troops wounded at the Battle of Shiloh in Tennessee. Mrs. Harvey thereupon dedicated herself to improving conditions for hospitalized soldiers. She criticized military hospitals for improper sanitation, urging that disabled soldiers be sent northward to medical centers near their homes where care would be better.

In 1863 Cordelia Harvey met Abraham Lincoln and convinced the President to approve the establishment of recuperation hospitals in the North. The first of three such hospitals in Wisconsin opened in Madison. (The other two were in Milwaukee and Prairie du Chien.) The Harvey United States Army Hospital in Madison was redesignated the Wisconsin Soldiers' Orphans Home in 1866. It operated under Mrs. Harvey's direction until 1867, and it closed in 1874.

THE NAME "WISCONSIN"

In 1673, thirty-nine years after Jean Nicolet visited the Green Bay area, Father Jacques Marquette and Louis Jolliet set out from New France to explore the Mississippi River. They traveled from the Straits of Mackinac between lakes Huron and Michigan to the Fox River at the foot of Green Bay. Two Native American guides led them up the Fox, from which they portaged (at present day Portage) to the river for which the state is named.

Marquette and Jolliet referred to the Wisconsin River as the Miskonsing, Meskousing, Meskous and Miskous, using variations on one of the Native American names for the river. Through the years, the spelling of Wisconsin underwent many changes. By 1800, "Ouisconsin" had become the favorite form for both the river and the region. Finally, in 1845, the Wisconsin territorial legislature officially endorsed "Wisconsin" as the accepted spelling.

Many interpretations of the state's name have been suggested, including "gathering of the waters," "red earth place," "river of a thousand isles," "a good place in which to live," and "at the great point," all of which seem appropriate descriptions of Wisconsin's unique and varied geography.
