The Feedbag... what happened ... and what's happening

September, 2019

Hello Mustangers!

The Milwaukee Concours d'Elegance was a great time. We had a chance to meet and chat with Dennis Gage. We got a few pictures with him as well. He's a really nice guy! The weather could not have been any better!

Remember that our annual WEM club Picnic is coming up on Saturday, September 7th! Be sure to contact Roger or Sharon Nickolaus to RSVP & letting him know what dish you wish to pass. Refer to the flier inside the newsletter for further details.

Kenosha has one of the best and biggest car shows around coming up on Saturday, August 31st! They cordon off the downtown area and park over 2,000 cars. Loads of classic vehicles, lots of people, music, food, etc. I know we will be there! Check out the flier inside for more info.

*The **Dick Doria Door County Fall Color Road Trip** is on for October 11th – 13th. You must contact the AmericInn in Sturgeon Bay to make your reservations. The number is (920) 743-5898 and mention the you are part of the Wisconsin Early Mustangers. Be sure to let the Hartley's know by September 1st how many are going so they have a head count for Susie's family style lunch and that you will be staying with the group at the AmericInn. This will be another fun over the road cruise!*

See you on the road!

Glenn

For Sale: The cars of your dreams. Modern day performance inside a classic early Mustang. Read more at Revologycars.com Tip provided by Tom Miller.

-----MUSTANG TRIVIA-----

- ★ -The 2009 Ford Mustang featured a glass roof option and special 45th anniversary badging.
- ★ -The 2010 Mustang was introduced in November at the Los Angeles Auto Show. It cleverly combines modern technology with Mustang heritage and a V8 with even more horsepower and even throatier signature Mustang exhaust sound.
- ★ - John Najjar, the original designer of the Mustang I Prototype (drawings) supposedly named his design after the P-51 Mustang airplane, but Lee Iacocca has stated a few times that it was directly named after the horse itself, not the airplane.

Things To Ponder

- *Why is it that when you're driving and looking for an address, you turn down the volume on the radio?
- *If someone invented instant water, what would they mix it with?
- *Why is it called a TV "set" when you only get one?
