"A FEW TO PRESERVE THE BEST"

September 4, 1983

"The Feedback"

From the Pres:

Shar, Andy and I are up in Goodman at a family reunion and Labor Day celebration. Figured it was the only way to get this newsletter out. So, here goes gang.

In order to accommodate all interested parties our annual Algoma trip was moved from October 8 & 9th to October 22 & 23rd. We now have a few more rooms available. A sign up coupon is enclosed. Don't you think it's time to join us? Did you ever think there may not be a "next year" if you don't participate in this one?

A more important immediate fact is that we don't have enough volunteers to properly run our Show & Swap Meet on September 25th. We're only asking for two hours of your time out of the six hours the show runs. We'd rather say, "Thanks but we have enough help" than be begging on our hands and knees. On a more positive note the Show/Swap is really coming along nicely. Lots of interest has been shown to our leaflets. Pre registration forms for the Show & Swap are included with this newsletter.

Shar's orange 'stang' is on the road and doing well. We're still making adjustments and improvements as we run, but all in all it really is looking and running great. I'm looking for a 4:00 to 1 7 1/4 inch ring and pinion from a light duty 63-67 Econoline. That should ratio us back up to where we belong and get us "out of the hole" better.

I sometimes get tired of having to burn a little butt just to get people to move. I don't ever want to hear that those in the club who participate in most activities are a "clique". They are just people who enjoy Mustangs and "Mustangers". They get their moneys worth out of their membership. I really hope this is the last time I have to chew out what has been the most active Mustang Club in the Midwest.

We'll be seeing you as we wind down the year and I know we'll be enjoying your company and support. Keep your ideas coming and make this club work for you. Jackets and hats are being made available for Fall along with our normal decals, patches, flags and stickers.

Take care!! "Keep on 'stangin'".

**4TH ANNUAL ALGOMA TRIP OCTOBER 22**

We will be leaving at 7:00 from Wauwatosa Savings and Loan on 27th & College. We plan on meeting those from the north side at the old Relocation Realty Parking lot on I-43 & Brown Deer Road at approximately 7:30. From there we will proceed north to Door County with a possible stop at a Maritime Museum in Manitowoc and of course a "Food Stop". We will do some informal touring of Door County in the afternoon and try to rest up and have a group dinner at 8:00 P.M. Saturday night. (Not at the Hotel!!).
