## "THE FEEDBAG"

From the Pres:

Shar and I just returned from our Rockford, Illinois one nighter and First All Ford Show at Waukegan. I had tears in my eyes today. Thanks to a limited amount of 65 & 66 'stangs and a good amount of campaigning by our friends, the ol' black convert won its first trophy ever. We were so proud of the faithful old beauty which has never missed an OTR trip since the inception of the club. We know darn well that it would not have stood a chance against the real pro restorations, so thanks for being busy guys!!

The Door County trip for October has officially been changed to the 17, 18, & 19th. The trip booking has been expanded already, so if you intend to come, don't wait. Much enthusiasm has been noted by old and new members alike for this annual year ender. The one or two day option for this trip still stands. Those who can't make the Friday portion with the "fish-boil" can still make the Saturday version with our dinner and dancing if desired Saturday night.

Had a pretty good time at the August 17th Club Picnic. Got to "test" a whole bunch of Sal's "Italian Corn". That's some real good stuff, Sal. Thanks from all of us. The next Sunday was our first tailgate party. Had an excellent time once again. The Brewers even won in eleven innings for us.

Mike's '65 Fairlaine is on the road, finally. It is far from done, but roadable. The good hood has been chemically stripped, primed and painted. As soon as a front bumper is added we'll put it on. That car still reminds me of a Mustang except in expanded scale.

Got to head back to the "Windy" early tomorrow morning, so I'm going to cut this short. Was really nice to travel and talk to some of you this week-end. We miss being in town. "Cobra " and "Stang" take care till next time. Rest of you keep in touch, and of course, "Keep on 'stangin' ".

The Annual Door County Trip date has been changed to Oct. 17, 18, & 19. A Friday night fish boil is going to try to be arranged. Those wishing to go for just one night are welcome.

The Club is going to look into investing in the machinery to make our own plaques. If we do invest in the machinery, we will let other clubs know, we have it and maybe offer to do some business for them.

Jerry Manning mentioned the Car Rally & Polker Run held in Lake Geneva on Sept. 27 & 28. He suggested going to see all the beautiful cars that turn out.

Bob Zimmermann would like to put together a bowling tournament with club members to begin in January. More info in newsletter.

Congratulations Mark Lien on winning the door-prize of a Club Logo hat and a bag of chips left over from the Brewers Tail-gate Party.
