## THE FEEDBAG

" A Few to Preserve the Best "

From the Prez.

August 31 , 1998

So how is everyone doing ? I can't believe the Summer is behind us and that Fall is just around the corner. When I was younger, the Summer seemed to last forever. My Grandma always told me the days get shorter as you grow older. Who knew she was right ? Oh well, it's been a fun Summer even if it wasn't that long :-)

In the last newsletter I talked about the MCA show in Detroit. I didn't have room to mention the Super 60's show at Soren's Ford that was held in July. The weather was beautiful and the turnout was absolutely fantastic. They had over 250 show vehicles. They just seem to be getting bigger and bigger every year.

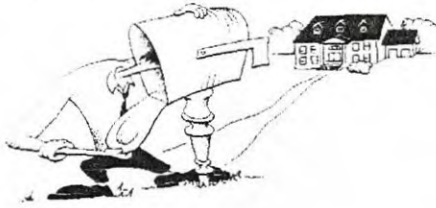

The next show that Tammy and I attended was the Midwest Ford Club's Annual All Ford Show on August 16th. Again the weather was beautiful. It was probably in the mid 80's all day. Turnout was down a little from prior years, but they still had over 130 show vehicles.

The last show that we attended was the Wisconsin Dells Auto Museum's All Ford Show on August 30th. We must be having a run of beautiful weather, because again it was a beautiful day. There were over 140 show vehicles and everyone had a great time. Please keep all of these shows in mind when you schedule your '99 calendar.

Lastly, we had a very good meeting this month. There was a lot of discussion about how to bolster member participation, in meetings and club functions. We'll be trying a few different ideas in the coming months. So watch your Sept. newsletter for info on the October & November meetings. We want to see more of you come out and have some fun along with getting to know the other club members. Hope to see you soon !!!

Well that's all for now. Remember, " Keep America Beautiful ... Drive a Mustang! "

## HOUSE ON THE ROCK TRIP

The trip is still scheduled. To date there are only 2 couples planning to go. Scott Moen will take over the details of the trip and should be contacted as soon as possible if you intend to go. This is a day trip so departure will be early and we will be returning the same day. The cost is about \$14.00 per adult. You may check with the Parks and Recreation in your community as many of them offer pre admission discount tickets.

## TRIP COORDINATOR NEEDED

Fritz Dowe announced he will be stepping down as our club trip coordinator. If anyone is interested they should contact Scott. The position involves: Making reservations at motels, laying out the route of the trips, organizing activities once at our destination. This is a very important position in our organization and needs to be filled with a person who can devote time to the activities.

## MEMBERS IDEAS NEEDED

Much of the August meeting was spent discussing ways to spur more enthusiasm in our organization. The past few years we have experienced a drop in participation by club members. This is discouraging for those who spend a good deal of time coordinating club functions and outings only to find a few people attending

The club officers don't have all the answers to this dilemma and are counting on you to help with ideas for club functions. Some of the suggestions that were voiced at our last meeting were: Occasionally change the meeting location to a restaurant, or some similar locale and hold a informal dinner meeting. Reduce the amount of winter meetings, when little activity is taking place. Hold some open air picnic type meeting in a park during the summer months. Have an informal after meeting social where the club provides the beverages and snacks. Provide over the road trips with destinations that would appeal to a larger portion of the membership. These were the suggestions that came out of our meeting.

I challenge all our members to help get the club back on track. We hold an annual planning meeting every November. Don't wait until then to be heard. I would like every member in our club to list at least one idea on a piece of paper and send it to our club president, Scott Moen.

April 17, 1999 reflects a special date for Mustang enthusiasts worldwide - the 35th birthday of America's pioneer pony car, the Ford Mustang. Numerous changes have taken place during the years, but the Mustang still remains a favorite with the public offering performance and style in one quality package. We hope you will join the Mustang Club of America and fellow Mustang enthusiasts in celebrating this important event April 15-18, 1999 at the Charlotte Motor Speedway in Concord, North Carolina.

Included in this flyer is a registration form, a listing of hotels, and general information. Please retain this flyer for future reference.

The car entry fee covers the vehicle and two weekend passes. You must have a pass before entry to the track will be allowed. Each car entered may purchase one extra weekend pass at a cost of \$15.00 from MCA. Additional weekend passes must be obtained directly from Charlotte Motor Speedway at the gate for \$7.00 per day or \$18.00 three-day pass.

The purchase price for vendor spaces includes two weekend passes. One additional pass may be purchased from MCA for \$15.00. Please remember that all spaces are on a first-come-first-served basis.

Spectators may purchase a one-day pass for \$7.00 or a three-day pass for \$18.00 from Charlotte Motor Speedway at the gate.

Since this is a special event, we will have two different types of competition available. The Concours Division is limited to 300 entries and is designed to accommodate those vehicles that are routinely trailered, are considered top-notch show winners, or are thoroughbred restorations. Entries must be of 1989 vintage or older. The Judge's Choice Division is designed to accommodate all Mustangs from all walks of life. Top notch show winners to the average daily driver are eligible for this category. This is where we anticipate our largest number of entries (up to 3200), so be sure to get yours in right away.

An open track event is being held in conjunction with the celebration and will be handled entirely by officials of the Speedway. A separate registration form is required for this entry with checks being made payable to and forwarded directly to the Speedway. If you wish to also participate in the show portion of the celebration, fill out the MCA registration form and forward to us. The open track event is open to all Mustangs and is not limited to race cars only. Imagine the thrill of finding out just how well that 1966 GT fastback handles through the infield course of the track.

A confirmation letter will be sent to you as soon as your registration has been completed with us. Please remember to bring your confirmation with you when picking up your packet and credentials. All packets and credentials must be picked up at the Hilton before proceeding to the track. Your confirmation letters will list available pick-up hours.
