

Hi Ho Mustangers,

8/28/08

It appears than the summer is coming to close all too fast. It is hard for me to think that Sept. is just a few days away. Sue and I would like to thank all of you who made the club picnic a big hit. We had 60 members that came and many of those helped out. It was voted on at the meeting that Sue and I do it again next year. I think as it was unanimous that we continue.

On the 12th we had the Burn Camp Run. We had a fair number of cars there and we are almost out of old dash plaques for the kids. There were 4 HOG chapters there with about 125 bikes. This took a lot of pressure off the 40 or so cars that were there. A great time was had by all.

The weather looked a bit iffy the night out at Gus's. Sue and I said go for it and we went. Lots of nice cars and people were there and just a few rain drops. Sue spotted 7deer on the way back home so we were extra careful with the car. Jeff has a night set for Sept. so see the newsletter for details.

The Klein's did a great job on the Marsh Run again this year. They always throw a new twist every year. This year was a stop at the Hartford Auto Museum with a Model "T" show at the same time. Thanks again to Steve and Kitty.

On the 23rd we were at the Masterpiece Club Day with 10 cars. A bit of rain in the early morning and then HOT! The club took 1 of 6 ribbons and 1 of 2 trophies. It was a wonderful show and I will be back next year.

There are still a few outing left before the car season ends. See the newsletter for details. Just a quick update on Door Co. in that Dick has bumped the number of rooms to 32 and we have only 4 rooms left. If you are thinking of going, call today. That's all for now.

Yours in Stangdom,

Tom

BURN CAMP TRIP

Pictured above is part of the group that made the run to the burn camp on August 12th. The kids were overwhelmed with the showing of classic cars and motorcycles that took the time to show off their vehicles to the kids.
