*The Feedbag ... what happened ... and what's happening*

October, 2019

Hello Mustangers!

We had a beautiful day for our annual club picnic! There was plenty to eat, that's for sure! Some awesome desserts, too! A big thanks to Roger & Sharon Nickolaus and to Sue & Tom Miller for all their work making the picnic another fabulous success!

I must admit, I have a soft spot to the Kenosha classic car show the Saturday of Labor Day weekend and a little heartburn as well. The heartburn? That's from that terrific breakfast at Frank's Diner on 58<sup>th</sup> Street. Fun place to eat!

We have our annual **Dick Doria Door County Fall Color Road Trip** coming up on **October 11<sup>th</sup> – 13<sup>th</sup>**. Hope you have your reservations set! The fall color prediction is looking good this far out. Make sure you have let the Hartley's know how many are going in your party so they have a head count for Susie's family style lunch, that you will be staying with the group at the AmericInn and you that will be joining us at the Nightingale Supper Club on Saturday night. Really looking forward to this event!

Please note our new location for our **Annual Planning Meeting** coming up on **Monday, November 25<sup>th</sup>** at Joe's **"K" Ranch in Cudahy**. The meeting will begin at 6:30PM.

It's a bit out, but if you are interested in joining our talented car show crew, we would be honored to have you join us. Simply drop in on our meeting on December 7<sup>th</sup>, 1:30pm at WaterStone bank. Plans will begin to be made for our 2020 car show.

See you on the road!

Glenn

## -----MUSTANG TRIVIA-----

### Special-Edition Mustangs

★ If you see a Mustang that looks modified at a concours show, the owner says it is real, and you are smitten with the urge to call him a dunderhead because you've never seen a Mach 1 with side stripes such as that and a picture of a tornado on the rear quarters, you'd best keep your mouth shut. In all likelihood, it is real.

Ford built oodles of special-edition Mustangs, some of which even the most seasoned experts have never seen, such as a '68 Red Bird (Cardinal) Special, built for the states of Virginia and North Carolina, where the cardinal is the state bird. Bill Weaver (MCA Gold Card Judge) said these cars came with rear quarter badges that were gold with a red cardinal. Apparently, none of these cars have been restored. Weaver has three of the badges and the instruction sheet on how to install them, though.

★ Probably the most commonly known special edition is the '68 California Special. Colorado dealers had a High Country Special for 1966, 1967, and 1968. The Mustang with the tornado on the rear quarters is the '70 Twister Special from Kansas. We could name more than a dozen special-edition Mustangs. Texas had a Blue Bonnet Special. Did you ever hear of the '68 Gold Nugget Special?
