"A FEW TO PRESERVE THE BEST"

"FROM THE PRES."

Well gang, just got back from Texas. They sure have a beautiful bunch of cars down there. Unfortunately, I did not find anything in my price range to my liking. A person should spend about a week "beating the bushes" in a given area. I hit every major metro area on the way back, but still no luck. Found a "Mustang only" car lot in Rolla, Missouri. They also had a 30-40 car parts yard. Overall, our cars were basically better, especially pricewise. It was a good trip though; that monster truck of ours got me from "Beer City" to Wichita Falls, Texas in 19 hours, a total of 1,050 miles. Dave and Jackie Yahn send their best to all. They have a very nice place in Wichita Falls.

We are all looking forward to our Door County-Algoma trip this coming weekend. This will be our biggest group yet on an over-the-road trip. Good work gang! Keep on Stanging.

THE MEETING - SEPTEMBER 28, 1981

We had a half-way decent turn out for our September meeting - about 30 people. We are looking for a few more toward the winter months. Under Old Business: M.C.A. Jacket patches will be available for \$2.00 in about a month. We held more discussion on stated value insurance. A jacket order was started. We need 12 jackets to make an order; right now we are at 5, so if you're interested, sent \$25 to Dick and tell him your size (S-M-L-XL-XXL) and color (Red, Blue, Black or Green). Also, the name you want on the front. Lloyd Hebbring was elected to fill the missing spot on our Board of Directors. Our second rally will be held in Spring of '82. New Business: Bob Beauparland, Bob Zimmerman and Dick Doria will work on an early '82 Club Dinner. We are also looking forward to the winter swap meets this year and are asking for relief in manning the club recruiting tables. A tentative holiday get-together will be considered. Plaques for Algoma '81 will be available at \$1 each on the trip! Any extras will be sold at the next meeting. The members in attendance voted to make plaques available for the previous trips to those interested. Judy Kurth will be getting a report together and sending it to the National Magazine
