OCTOBER 2022

"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

Fall is here. Most regular weekly car shows are all wound down. I did have the opportunity to get into the last show out at Foxx View Lanes in Waukesha. It was a heck of an event! It was PACKED! There were around 500 vehicles in attendance. That was awesome for a weekly event! Ya, there are a few good shows coming up before that white stuff (snow) wraps it's grip on us. So, head out and enjoy them before putting your pony in her winter stall.

The club picnic was a hit! Everyone had a great time. Perfect weather. Food was great. Lots of fun conversations. We sure have a terrific club! Be sure to thank Roger and Sharon Nickolas for putting together such a wonderful picnic! Thanks a million guys!

Our Dick Doria Door County Cruise is coming up soon. Hope you signed up for this event. Lots of interesting places to check out up in the Door! I know I am looking forward to that fabulous lunch at Susie's! They definitely put together a filling broasted chicken dinner! Oh, and the Nightingale Supper Club has fabulous food that the club will enjoy on Saturday evening. See you all there!

We are looking into a new spin on our November Events Planning Meeting on Monday, November 28th. Watch the newsletter, website, and Facebook page for details. Don't worry, we will have a very nice meal planned for this meeting as usual.

Be sure to swing by our next scheduled meeting of the Wisconsin Early Mustangers on Monday, October 31st, yes Halloween!!!, at WaterStone Bank in beautiful Oak Creek on South 27th Street, 7:00pm. Plenty of seating for all of our great friends! And a run to Oscar's is always in the plan!

Be sure to stay up to speed by stopping by our web site, Facebook page and newsletter on a regular basis for any new club developments.

What do you want?..... A Faster Horse!

Glenn

Revealed: 2024 Ford Mustang

The Ford Mustang is galloping into its seventh generation with a host of fresh changes, including new sheetmetal, a revamped interior, and a trick “parking brake.” Fret not, however: The important stuff remains, like the 5.0-liter V-8 and the six-speed manual.
