

# The Wisconsin Early Mustangers

"A FEW TO PRESERVE THE BEST"

## "The Feedbag"

November 23, 1981

### FROM THE PRES.

After a great trip with a great group to Algoma and Door County, it was time to put the little red 'Stang away for another year. I really hate to see the old girl with her winter wheels on; although she served us faithfully for another fantastic year with the club. I always feel better the first warm days of Spring when it's time to get ready for a new season.

Don't forget. If you get your renewal notice in the mail for the Mustang Club of America, don't send it in. Turn it in to Bob Wroblewski or myself along with next year's dues. M.C.A. dues are paid through our club.

Our meeting at the end of November will be the last one for two months as we don't meet in December due to the holiday season. We will try to conclude any left over business for 1981 at this meeting. Also, plaques for the 1980 Algoma trip, 1981 Dearborn and Goodman-Dunbar trips will be available. We are running a special on club T-shirts, \$4.50 each or 3 for \$12.00. These shirts could make good stocking stuffers for Christmas as well as being good advertising for our club.

Well gang, take it easy as the cold weather approaches. Hope to see all of you during the winter months. Keep on 'Stangin'.

### THE MEETING - OCTOBER 26, 1981

We had a very nice turn out for the meeting. Almost 1/3 of our 78 members plus guests and prospectives.

Under Old Business, a short recap of the Door County-Algoma trip was given. Mustang Club of America patches were available at \$2.00. The present jacket order is still open, so get 'em in. January 23, 1982 is the tentative date for our winter dinner/get-together.

Under New Business, a car show for Spring, 1982 is being considered. Probably a mall type show for starters. Our first trip next year will be in May and we are heading toward the Mississippi River for a two night stay in the La Crosse area possible. We

discussed the use of antenna flags, similar to the Corvette Club, to use on our outings. All members were asked to bring a note of the Mustang parts suppliers that they use and the quality of service they gave.

KELLY'S CORNER

Door County-Algoma Trip

As our herd of 12 Mustangs and 5 other cars galloped northward, the rain clouds just wouldn't give way. But even so, it didn't put a damper on our fun!

Once at our motel (filled to capacity with Mustangers), a quick vote was made to brave the storm and travel 35 more miles north to Peninsula State Park. The courageous of our group climbed the approximately 100 foot tower to look out over Green Bay. A peaceful drive through the park made you think the trees held out one more week just for us before shedding their lovely colors.

Our next stop was Door Peninsula Winery. After an interesting tour, we sampled their wine cheese and 8 different wines. (hic\*).

Dinner was at 8:30 at the Hotel Stebbins. Food was delicious and service was great. At this time, our Pres. also showed us the great dash plaques made up for the trip and put them on sale.

Sunday morning the rain still persisted, but at least we didn't have to wipe down the cars so they'd look good for the trip home.

We toured Von Stiehl Winery before leaving Algoma, and of course, the best part was sampling their wine cheese and jelly, and 5 wines. (hic\* hic\*).

In Kewanee, we made a pit stop at a small cheese store. We must have given them record business for a quiet Sunday morning.

Brunch was at Marc's Big Boy in Two Rivers, then it was a straight shot home.

Our parting once we hit Milwaukee was especially sad this time. The weather is getting cold and it won't be long before the snow flies, so this was our last trip this year. But we look forward to Spring and seeing a lot more of you joining our stampedes across Wisconsin.
