THE FEEDBAG

From the Prez.

October 25, 1999

Hi Everyone,

Well I am pleased to announce the newest member of the Moen family

William Shelby Moen

William was born on Thursday October 21st at Oconomowoc Memorial Hospital at 2:14 am. He weighed in at 8 lbs. 8 ozs. and 21" long. To tell you how bad William wanted out we arrived at the hospital at 1:40 am and 34 minutes later, he was born :-). Everything went fine with the delivery and Dad even got to cut the umbilical cord. Both Mom and son are doing great. They got to come home last Saturday. With the exception of not getting a whole lot of sleep, Tammy and I that is, all is going well. We hope to bring William out to the November meeting to meet everyone and to attend his first club meeting.

Speaking of the November meeting. As most of you know, it is election time again. It doesn't seem like I've been the President for 8 years now. They say time flies when you're having fun. And I have had fun since taking over the Presidency from Dick. I have done my best to represent the club in a positive manner. I've also done my best to promote the club and attract new members. Which, if I can say so, has been very successful. It's nice to see new faces at the meetings and at the club events. Not that I don't enjoy seeing all the members. We're all like family and that's something very special. With all that said, and hopefully a nomination tonight, I would like to run for one more term as club President. I appreciate all the support that everyone has given me since I became President and if re-elected, I will continue to do my best.

Well that about raps it up for this time. I have to get ready to go to the meeting and also go get William a bottle. Of course he's hungry, he's a WI Early Mustanger !!!! Take care everyone and remember " Keep America Beautiful . . . Drive a Mustang ! "

HAPPY HALLOWEEN FROM YOUR EDITOR

POKER RUN

Our club Poker Rally was held on Sunday October 10th. The weather was great and the drive was fantastic. 17 cars of all makes and models carrying 27 people ventured out to view the fall colors. But what really made my day was the fact that a few of our newer members set this up and helped pull it off. It was really a treat to see our new members get involved. Special thanks go out to Mike and Donna Chucka who set up the route and coordinated the stops along the way. Vern and Debbie Snyder made sure we had enough food and did all the cooking at the end of the run. Of course we can't forget the old timers Sal Lorino and Dick Strack who manned their posts and handed out the cards along the route. The winners of this event were Ruth Johnson \$40.00, Randy Schock \$35.00 and Pat Kadlac \$20.00.

KNOW YOUR MEMBERS

The last in this series will appear in this edition. Only about one third of our members responded to this series of articles which ran for the past 5 months. If I get anymore responses I will continue with the article next month. I found it was interesting to know what our members are interested in beside Fords.

EMAIL CLUB

About 9 months ago I experimented with a project to form a Mustang E Mail group on the Internet. I went to the different auto related message boards on the net and looked for Mustang enthusiasts. Currently I have formed a group of over 30 Mustangers throughout the USA who communicate with each other via email. We share photos, tech advice, parts, and just plain chat about our Mustangs. I am opening this up to any member of our club. If you want to get on line with us send me an email (rzimme0525@aol.com) and I will get back to you with more information.
