"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

The nominations for the club officers are set for the elections at the November 30th meeting. See the ballot inside for the nominees. We have another great team on the ballot to lead us forward.

Man! This October has been, for lack of better words, COLD! Not much top down cruising in the 'stang in October.

The Dick Doria Door County Color Run was a good time for all. Everyone cruised the peninsula checking out the colors. There were a lot of colorful areas while we were there. Have to say, the chicken dinner at Susie's Place was phenomenal as always. NO one left without being totally topped off!

The next meeting on November 30th at Joe's K Ranch will be held upstairs in the east wing of the dining area. The meeting begins at **6:30pm**. First will be the election for club officers then transition to the annual events planning portion of the meeting. We will go through the 2021 calendar noting upcoming club activities. This is your opportunity to champion a club excursion that you always wanted to do! Check out the event flier inside the newsletter.

All those interested in joining our great car show team are invited to join us on December 5th to go through our plans for the 2021 Wisconsin Early Mustangers All Ford Car Show. The meeting will be at Ewald's Venus Ford in the upstairs conference room on **Saturday, December 5th** and starts at **1:00pm sharp!** We will discuss many topics at the meeting, such as show format. Also, with all the health concerns still floating around we may need to take a fresh approach to our show. Interest is high, but we must plan accordingly. Members are welcome to join us in preparing for the 2021 All Ford Show!

See you on the road!

Glenn

Discussion was had on the Door County trip. Good time was had by all but some problems occurred due to the pandemic. The Nightingale restaurant canceled the clubs Saturday group dinner at the last minute, alternative arrangements had to be made. Susie's all you can eat chicken dinner was good as usual. Hoping for a better trip in 2021.

Nominations were opened for club officers: From the those members president the following people were nominated. **President:** Glenn Furst, **Vice President:** Dave Hartley, **Treasurer:** Jack Winter **Secretary/Newsletter Editor:** John Surges. All accepted their nominations. Voting will take place at the next scheduled meeting. A absentee ballot will be in the newsletter for those not members able to attend the next meeting

No Raffle today

Pizza / Planning Meeting is scheduled for **November 30 at 6:30 PM** upstairs @ Joe's K Ranch.

Members were encouraged to bring up ideas for new club events. The planning meeting would be a good time to bring up new events. **Remember to have a mask if required.**

New Business: Planning meeting for the 2021 WEM All Ford car show will be held at Ewald Venus Ford (upper conference room) on Saturday, December 5th at 1:00pm. All those interested may attend. Members should start thinking about soliciting door prizes for the show.

No December meeting

Club dues are due in January

Picnic spoon still looking for a home.

Discussion was held about potentially scaling back the format of the 2021 car show due to the pandemic which will more than likely still have a significant impact on activities. Some ideas brought up were not having any inside activities. Raffle and outside vendors would still be allowed. The need for awards seemed to be important for many show participants possibly in a scaled back format. A less formal show seemed by most In attendance to make the most sense. Possibly not having a discounted pre-registration, just \$10 in advance or at the gate. Discussion will continue at the show planning meeting on December 5th.

Meeting adjourned at 7:25 pm

FORD OPENS ORDERS FOR LIMITED-EDITION 2021 MUSTANG MACH 1

DEARBORN, Mich. - Seventy-three years ago today over Rogers Dry Lake in Southern California, the world witnessed speed like never before with the first-ever sound barrier-breaking flight. Mission accomplished: Mach 1 was achieved.

Seventy-three years later, the thirst for speed is quenched again. Mach 1 has returned.

With a starting MSRP of \$51,720 (plus taxes and destination and delivery charges), orders for the 2021 Mustang Mach 1 are open in 53 countries in markets around the globe. The all-new and limited-edition 2021 Mustang Mach 1 will arrive to U.S. and Canadian Ford dealerships in the spring of 2021.

The return of Mach 1, after a 17-year absence, signals a new pinnacle of 5.0-liter V-8 pony car performance. The all-new Mustang Mach 1 packs a specially calibrated 5.0-liter V8 engine that produces 480 horsepower at 7,000 rpm and 420 lb.-ft. of torque at 4,600 rpm.
