

The Wisconsin Early Mustangs

"A FEW TO PRESERVE THE BEST"

"The Feedbag"

December 21, 1981

FROM THE PRES.

As another good year draws to a close, I'd like to wish you all a Merry Christmas and a very happy New Year. We've had some great times together, with more in store for us in 1982. Let's all strive to make '82 another record year for our club. We hope to be adding a few technical seminars to our normal list of activities. Also, our "over-the-road" trips will be in full swing starting in mid-May. Through the winter, we hope to be actively recruiting at the major swap meets again.

Our sales of Club T-Shirts, Decals and Trip Plaques put over \$120 in the Treasury last month. We still have some shirts left in most sizes, so if you need any, call me at home. Sale price still holds. The same goes for our Decals and Trip Plaques. (Yes - Dearborn is now in). I hate to be such a salesman all the time but these items help to keep out non-profit organization out of the "loss" column.

As of the last meeting, we talked about a possibility of a regional dues increase from \$5 to \$10. This would only be after every other avenue would be exhausted. Don't forget, it is still one heck of a deal at \$10 per year, an a steal at \$5. Compare the actual benefits with those you get from the M.C.A. at \$20 per year. Enough said?

I probably won't see many of you for another month so take good care during the holidays. Keep in touch, don't be afraid to call or stop in if you like. I'm hard to catch, but always am ready to engage in a little "Horse Chatter". Have a good one and Keep on 'Stangin'.

Dick Doria

THE MEETING - NOVEMBER 30, 1981

We had a packed house for the November meeting. Almost half of our active members were in attendance.

Under Old Business: Members were reminded that a jacket order is still open. Call Dick or sign up at the meeting. Our January 23rd Club Dinner is being organized and all members will be contacted by phone on the final details and reservations. Plaques were made available for our previous trips. We had a very nice man named Bob Ensweiler as a guest. He spoke to us on the fine points of organizing a club car show. Bob Zimmerman will be contacting Hiller Ford on the possibility of a Spring Mustang show. We had a small discussion on parts sources and how good they were. Two of our members, Dave Jones of Dave Jones Classic Mustangs and Wayne Witte of Wayne Sales and Service, told of the goods they have available to us. Dave, a new member, offered us a 10% discount on all parts bought through him. Wayne has been our original newsletter advertiser and has treated the members good for some time. (Patronize our member/businessmen when you can. It strengthens our

organization — Dick). We are still looking into antenna flags, more info to come on that.

Under New Business: We have had some problems with Mustang Club of America renewals. So far, they have been in our favor. Dick Doria will speak to the National on their procedures. Bob Beauparland spoke of a few of our Winter events. The possibility of a Regional dues increases was discussed, but tabled for now. Our newsletter printing will probably start costing us money after the first of the year due to some changes. We have given a tentative commitment on a Fourth of July Parade in Watertown. Wayne Witte will pursue the details. Memorial Day in Menomonee Falls is also on our docket. Any questions on parades can be answered simply "First come, first served".

NEXT MEETING: JANUARY 25, 1982 at 7:30 P.M. at the Wauwatosa Savings and Loan on 27th and College Avenue.

Please welcome the following members to our club:
