**"A Few to Preserve the Best"**

**Preservation - Restoration - Enjoyment - Dedication - Education**

Hello Mustangers!

2023 is only a month away. Time again folks to get your club dues in. The membership form is in the newsletter and online. Please take the time to fill it out and send them in to Jack.

I understand our annual planning meeting went well. I have seen a copy and am looking forward to another great year with our fabulous club. Who knows....We may attempt to make plans for a cruise to places of interest. I'd bet a good meal will be worked in for such an event.

Speaking of a possible cruise, Jack mentioned at our October meeting a potential car cruise to Baraboo. He is aware of a collection of cars that is incredible. The current curators are looking to have a museum showcasing all the cars. We will be looking into that and let the club know how plans are progressing.

Our 2023 All Ford Car Show planning meeting is on Saturday, December 10<sup>th</sup> at 1:00pm in the upper conference room at Ewald's Venus Ford. We will go over the typical plans for the event and discuss what ideas there are for the feature vehicle or highlight for the show. All members are welcome to attend and participate to help continue making our show one of the best out there!

I know our club picnic is later in 2023, however, we are looking for a new organizer of the picnic. Roger and Sharon have stepped down as our picnic coordinators and will pass along all the helpful information to the new crew. Please contact Roger or Sharon if you are interested. Roger's mobile number is: 414-405-8004

All notices of club events and news is posted on our website and Facebook page. Visit them often for updates.

What do you want?..... A Faster Horse!

Glenn
