

2/29/12

Hi Ho Mustangers,

I cannot think of anything that I have ever written on LEAP DAY!!! Then again it does not happen that often. On to some things at hand like the Pizza Party, that 40+ members enjoyed. The food as always was great and the company better. Sue and I got to sit with some new members and got to know them better. A great time was had by all.

The “Model A Swap” was on the 19th and the crowd was good. We got to see a lot of members and friends and as always answer a lot of Mustang questions.

We had an outing to the Milwaukee Auto Show on the 25th with 40 or so members and friends hosted by Ford Motor Co. Steve Lang, the Ford rep. with 25 years working on Mustang, was the speaker and answered a lot of questions from SVT to how to install 2012 brakes on older cars. It was one of the best talks I have attended and reminded me of SVT in Detroit.

On to some new stuff like the show. We still need door prizes so let all of us pound the pavement and make this year’s show the best. Debbie and Vern will take them any time, so don't wait for the last minute. I have locked in a block of tickets to a Milwaukee Mustangs football game in April. The cost is 16.50 per seat. As the football team is supporting us at the show we need to support them. All the details are in the newsletter.

I am happy to report that Vern made it through his operation and is recouping at home. There were a few hitches, but he managed to overcome them. Jack Winter has been in and out of the hospital and I think he is out too. Let us hope so, as we do need the show coordinators. That is all for now, more next month.

Yours in Stangdom,

Tom

Bits and Pieces...

A *SPECIAL THANKS* to Joan and Jeff Searing who were a big help getting me up to speed, plus printed and mailed the “snail mail” newsletter copies while we were in Florida. *John Falkner*

There isn't a February club meeting, so there aren't any meeting minutes to report.

~~~~~

About 40 members attended an interesting Ford presentation at the Milwaukee Auto Show ...and it was reported there were enough donuts this year!

~~~~~

Sal Lorino wants to remind members of the club swap table at our May show, and what to do with items for sale ...so start thinking of items you'll want to offer up for sale to make this a success.

- ✚ Members planning to bring items for sale at the club swap table may drop them off on Saturday (the day of show setup) or early Sunday morning. Please be sure to mark all items with your name and the amount you want for each item.
- ✚ All unsold items must be picked-up by 3:00 PM. Sal will settle up with sold items either during the day or at the end of the day. Any items not picked up are subject to disposal.

~~~~~

We'd like to thank everyone for renewing your WEM club membership, and remind you to take full advantage of all the benefits your \$15.00 annual dues provides:

- ✚ You get the twelve monthly WEM club newsletters, and mainly because most members receive their colorful newsletters via email, we have not had to raise dues for almost the entire life of the club. On line members also get additional communications whenever they arise.
- ✚ You get to have free car related ads in the club newsletter.
- ✚ You get to include car related items for sale at the club swap table during our May car show.
- ✚ You get a WEM Member discount at the AutoZone on South 27th Street.
- ✚ You get notification of all club activities, outings, and functions like our Pizza Party, club dinner, Milwaukee Auto Show WEM club free admissions by Ford, etc.
- ✚ You can get free WEM collector/classic car appraisals. This is often required for stated value insurance coverage, and any insurance claims ... worth about \$100 alone!
- ✚ You get to go to Omega on South 27th St. for custard and more social time after club meetings.

~~~~~

FYI We are updating our 2012 WEM Club Active Member List, so this will be your last newsletter if you haven't renewed your membership.
