The Feedbag ...what happened ...and what's happening.

5/6/12

Hi Ho Mustangers,

Well the show is right around the corner and we are well on track to make this a great one. If anyone has door prizes please get them to Debbie and Vern so they can get all the donors on the reader board at the show. If you plan on bringing them to the show just let them know the Monday before the show so they have time to add them to the board. Jack has said we are looking good for show help but, we can always use more bodies. If you are interested in helping see Jack at the show.

Things have been moving forward with the Milwaukee Mustangs in that we had our club game night on 4/28. Jack and his son did the drive on at the start of the game to the delight of 6000+ fans, 35 of them were WEM. It was a great game but, Milwaukee lost in the last few seconds. We are in need of cars on the 11th of May at 5 pm at the Bradley Center for a show and shine until 7 PM. We have 8 cars signed up and would like to see 25. Please contact Jack Winter if you can make it. This is a GREAT time to showcase the club as well as your cars. We cannot buy publicity like this for not only the club but the show.

June 2nd is Kitty's Run also known as the Marsh Run. The route has not been finalized but the trip is on. Kitty has vast knowledge of the marsh and the area around it. All of the marsh runs have been unique, interesting, and fun. If you are interested in going on Kitty's Run contact Steve or Kitty Kline as soon as you can.

We just got back from the brunch run with 50+ WEM's in attendance. We had a great time and the food good, talk lively, and the weather left a lot to be desired. With cold breezes and rain it was, how should I say, A CRAPPY DAY. With that being said one of our club members had a worst day than the rest of us. Dawn broke a tranny line and had to leave her 69 at Mc D's on HWY 83. Sue and I gave her and her mom a ride back to HWY 83 and got her car on the flat bed and dropped off at the service center. After leaving the key and a note there we took the 2 wayward travelers home. All is good and all is taken care of. That is all for now, more next month, and I'll see you all at the show.

Yours in Stangdom,

Tom

April Meeting Minutes

The April 30th meeting was called to order by President Tom Miller at 7 o'clock.

New Members Introduced:

 Aaron Block who drives a 2011 Mustang with a modified 5.0 in it.

Treasurer's Report: Sharon Doria read the treasurer's report and it was approved as read.

Secretary's Report: John Falkner read the March meeting minutes and they were approved as read.

Old Business:

 Fifteen members were at Dick's interesting "Appraisal Seminar" on April 21st.

 A group of 35 had a great time at the Milwaukee Mustangs on April 28th. Jack Winter transported three Fillies in his green convertible onto the playing field at the beginning of the game.

 WEM Club Discounts were discussed again at Ewald's Venus Ford, Griffin Ford, Advance Auto Parts (6534 S. 27 St.) and AutoZone (5029 S. 27th St.).

 Jack Winter sent around a signup sheet for the May 11 Mustang Show & Shine at the MKE Mustangs main entrance on 4th Street (5-7 PM). Call Jack if you're interested in coming.

 Jim Sommerfeld was at Jefferson on Friday, and said there were very few Ford parts ...all Chevy stuff, and heard several comments about it being the "Chevy junkyard swap."

T-Shirt Raffle winners: Eight lucky winners this week!

Car Show Updates:

 Dick Doria reported we have 55 pre-registered so far.

 Dick recently met with our new show contact at Ewald's Venus Ford to work out any issues.

 Dick reported that the show T-shirt design and shirt color has been finalized

 Tom Miller and Dick Doria led a discussion where we decided to not have the Lions Club fire truck because it takes up too much space and it even hid the sandwich bar last year. Food for the show will be the Lions Club booth, sausage booth, sandwich bar, and ice cream. The Kettle Corn is still a maybe.

 Vern & Debbie Snyder asked everyone to get door prizes for the show and don't forget to give donors the club letter acknowledging their donation (if you need another copy of the letter, ask John Falkner to email another one). Our club does not officially support any charities because there is no end to good causes, and we don't want to offend anyone.

 Jack Winter is firming up the final show worker roster (page 5 in this newsletter).

 Scott Moen will be preparing the Sponsors Page.

 Show set up will start at 4:00 PM on the 19th

New Business:

 Wayne Mudek reported that we have 54 signed up for the Ice Breaker Brunch Run on May 6th.

 Steve and Kitty Klein asked to RSVP if you plan to go on the Marsh Run on June 2nd.

 Vern Snyder is coordinating a road trip to the Fox Valley Mustang Club Show on June 17th

 Please RSVP John Falkner if you plan to cruise to the Horses & Hogs Show on June 30th

 Scott Moen announced the new Safro Ford show in Oconomowoc on June 24th.

 Larry Tobiasz asked about a cruise nite to The Sports Dock Bar & Grill on Pewaukee Lake.

 John Falkner asked if there would be interest in a trip to the Harley-Davidson Museum.

 Jack Winter (our cruise coordinator) will discuss these outing possibilities with Larry and John to decide if, and when, we would do either or both of these events. (Watch the next newsletter for details.)

 Dick announced that it's almost time to start signing up for the Door County Trip. This fills up fast, so get your reservations in as soon as you see the upcoming flyer in the newsletter.

Close: Dick Doria moved to close the meeting after there was no other business to discuss and everyone seconded in unison.

From the Editor...

In mid-April, I sent a 2012 Car Show flyer and note to 300+ non-member previous car show participants (email and mail), and I'd like to share the note sent to clear up any nagging misconceptions...

As in years past, when you enter the show, you will be asked to choose a class to display your car in; with similar cars and therefore the best chance for attracting attention and votes. Club officials at the show entrance will offer help in deciding your class.

This is **NOT** a Mustang Club of America judged show, and there is **NO JUDGING**. Car class prizes are awarded at the end of the show **based solely on participant voting**, where any car getting the most votes wins ...**period**. Remember, the purpose of our show is to just have some fun and enjoy the day with our cars and friends.
