## *The Feedbag* ...what happened ...and what's happening.

5/4/13

Hi Ho Mustangers,

I think that spring has finally gotten here. I might be a bit premature with one day in the 80's and the next in the 30's. It will get better. On to the things at hand, starting with "Spring Jefferson". Jim Summerfeld and Jack Winter got fliers out there and I heard the weather was good. I just about fell over when I heard that. I can not remember the last time they had good weather, maybe in the 1980's!!!!

We have hit the large show with our fliers and now is the final push with you, the members. Take every opportunity to talk up the show and get everyone to come with or without a car. Do not forget about door prizes, we need them too. I talked with Dick yesterday and it seems we have about 90 pre-registrations in. This is a good number and within target. I would like to see 100.

This weekend is the brunch run and attendance is up a bit from past years. Check the meeting minutes as my brain is like a sieve for the correct count. There have been a number of changes and additions to the calendar like Kitty's Run, Milwaukee Fire Dept. Historical Museum, and Club Car Nights. All of these updates are in the news letter and I hope all of you can make all or some of these outings. The summer is short and we need to cram a lot in to a small amount of time.

We are a few people short for working the show. Even on the day of the show, if you could give a few hours we can find a spot for you. Working the show gets you a free dinner at the March Club Banquet. That being said, see Vern or Jack at the show and get an assignment. That is all for now, more next month.

Yours in Stangdom,

Tom

# April 29<sup>th</sup> Meeting Minutes

The meeting was called to order by President Tom Miller at 7 PM in the Waterstone Bank.

New members introduced were: Rudy Williams of Oak Creek and Darren Goode of Lindenhurst, Illinois.

Sharon Doria read the Treasurer's Report.

John Falkner read the March 25<sup>th</sup> meeting minutes.

Car Show:

- 🐾 Jack Winter announced the show set-up will be 3:30 on Saturday, went through the worker roster, and said we can always use more parking help.
- 🐾 Debbie Snyder made another plea for door prizes and said "just ask for them". The worst thing that can happen is that your request is declined.
- 🐾 Tom Miller will coordinate Jeff Searing sharing his gate info with Roger Nicholaus.
- 🐾 Jack Winter said there are name badges for all show workers to be picked up at the **club table**, and worker cell phone list will also be there for pickup.
- 🐾 The board or directors decided to create the Vendor/Sponsor list after the show, so last minute donations can be included and recognized. The final list will be included in our May club newsletter, and a copy will be emailed to all non-member show attendees with a note asking them to support those that supported us.

Brunch Run:

- 🐾 Wayne Mudek said we have 57 signed up and pre-registered for the Ice Breaker Brunch Run. He asked members to bring their CB's, if they have one, because over 25 cars will get stretched out pretty far.

Raffle winners: Therese Summerfield & John Falkner won WEM T-shirts.

New Business:

- 🐾 Kitty Klein reminded everyone the Marsh Run has been changed to June 29<sup>th</sup>, and we'll be doing a boat trip around the marsh this year.
- 🐾 Tom Miller & Dick Doria urged our members to support the June 16<sup>th</sup> Fox Valley Ford & Mustang show in Appleton ...especially because many come to our show, and they are all members of our club.
- 🐾 Support the June 30<sup>th</sup> Eric von Schledorn show in Random Lake sponsored by the Sheboygan Area Mustang Owners Club
- 🐾 **REMEMBER, THERE IS NO MAY CLUB MEETING.**
- 🐾 John Falkner asked if anyone has ever used their WEM membership card for anything. Dick Doria said there had been some uses in past years, but no longer. Bob Tice asked about Ewald car purchasing, but we only need our code number. With about 150 members, every year the president and secretary each sign each card, the secretary then enters member names, and distributes about 30 to members at the Pizza Party and Club Dinner, but that leaves over 100 to be mailed to members. With a \$0.46 stamp, \$0.10 envelope, about \$0.30 to print each tri-color card, and labor involved, we unanimously agreed to do away with membership cards in the future for an annual savings of about \$100. However, if anyone needs a WEM membership card for any reason, contact your club secretary and one will be mailed out.
- 🐾 Jack Winter announced our 2013 WEM Cruise Nights (see our calendar), and asked about the Roberts Custard cruise last fall. We agreed that we should probably add that too, as it was a good time.
- 🐾 Dick Doria suggested a day-cruise to Darlene Nietzler's in Hixon, WI to look over Ron's (deceased) early Mustang parts ...a good day trip (see "Extra Nuts & Bolts")
- 🐾 Gary Fedder suggested a club tour on Saturday, July 27<sup>th</sup> of the new Milwaukee Firefighters Museum on 16<sup>th</sup> & Oklahoma. He will work out the details, so watch the next newsletter for more info.

After the formal meeting, the need for speed lost out to the slow and enjoyable need for CUSTARD at Omega!

# Extra Nuts & Bolts...

**Car Show Swap:** Sal Lorino reminds anyone selling parts at the club swap area to be sure to clearly mark all parts with the **application, cost and your NAME**. Any parts not picked up immediately after the awards are given out at the show will be discarded or given away ...*no exceptions!*

- Lunch/Brunch in Juneau at 11:00 AM
- Video & boat tour of the Horicon Marsh (\$11.00 each) from 12:30 – 2:00 PM

## **Early Mustang Parts - Road Trip?**

Darlene Niesner asked if anyone was interested in some of her deceased husbands early Mustang parts. Ron was a long time WEM member and always had “nice stuff” according to Dick Doria. If interested in making a day trip to Hixon, Wisconsin (about 3 hours each way), call Dick to make arrangements.
