

Hi Ho Mustangers

7/31/09

It has been a busy month. On June 30<sup>th</sup> we had about 10 cars at Pandle's "Mustang Night". The weather was good but, as the summer has been going it was very cool. The food was great and a lot of nice cars. On July 3<sup>rd</sup> I went to a show at the Oak Creek Legion Post. The show was a "Memories Club" event with 125 cars or so. I also got to see Larry Lynn and The Skunks. The group sounded pretty good and the groupies in dress were a gas. July 9<sup>th</sup>-11<sup>th</sup> I was in Iola. The number of people were up as well as the number of cars. Prices were high and I did not see a lot of sold signs on the cars. Weather was breezy and only a bit of rain late one night. The Wisconsin Ford Club had a perfect day for their show on July 26<sup>th</sup>. Russ told me that they had 280 cars. A number of WEM members took plaques home including myself. I still don't believe it.

August is looking like a busy month too. On the 1<sup>st</sup> and 2<sup>nd</sup> is Elkhorn swap and show. Steve and Kitty Klien are doing a marsh run with a stop for brunch and a boat ride to end the run on the 9<sup>th</sup>. All the details are in the newsletter. On the 15<sup>th</sup> is the Miller cook out. There is still time to call us if you are planning to come. To date we have 64 coming and would like to make this the biggest year ever. Details are in the newsletter. On the 20<sup>th</sup> is the burn camp run. Details in the newsletter. On the 22<sup>nd</sup> and 23<sup>rd</sup> is the Masterpiece Show. If you wish to go please call Mike Johnson ASAP. This year on the 22<sup>nd</sup> I will be giving a short talk on the history WEM and it should be good. I don't have a clue what to say so I'll have to put some thought in to it.

Door Co. trip is open and I think 10 rooms are gone. This is a great trip and a few changes are in store for us this year. Please call Dick Doria if you plan to attend as the rooms are going fast. September is a busy month early so keep an eye on the newsletter. The T-Bird show in September has been canceled for this year. It should be back next year, we hope. That's all for know.

Tom

# The Wisconsin Early Mustangers

**From the Pres. (Retired, that is)**

July 28, 2009

This is where it all started. It was August of 1979. I called together four other local MCA members to form a regional group. We decided to call ourselves “The Wisconsin Early Mustangers”. I was elected president, Bob Zimmermann vice president and Bob Wroblewski as secretary/treasurer. Not shown in this picture is Lou Tripi and Dan Setanno. (center left is an interested friend, Mike Doyle) We were granted our regional charter and started growing beyond our wildest dreams.

We called our club “Mustangers”. It was to accentuate our concentration on the people, not just the cars. It was vowed from the beginning that we would never shun anyone or what they drove. In those days we had members driving \$100 cars daily to work. In addition we had many show worthy vehicles. The important thing was that we all had a great time in bringing the club to where it is today.

So help us keep the legacy going for another 30 years. I sure hope you enjoy the people and their cars as much as we did. See you soon.

“Keep on ‘stangin’”.
