The Feedbag ...what happened ...and what's happening.

8/30/12

Hi Ho Mustangers,

I can not think that most of the summer is gone!!!!!!!!!! Where has the season gone? In less than a month fall will start and in 5 weeks we will be in Door County with that I think I will look back in August and remember the warm thoughts past. The first thing was the picnic at the Huckstorf's. All I can say is WOW!!!!!!!!!!!! The venue was outstanding as well as all the food and company. The day was great and I think it was the BEST picnic yet. A huge THANK YOU to Rick and Lisa. They have said that they would like to host the picnic again next year and I for one vote for that. I thought that Sue and I had a great picnic but I think theirs was better because maybe I could relax and enjoy this one.

We had a cruise night to Gus's in East Troy on the 18th. There were a few glitches but a good time was had by all. The night was not too hot and even Dick got out for this one. We all know how much he likes the heat. We have added a Sept. cruise to Robert's in West Bend on the 12th. Please see the news letter for all the details. This was a last minute add on and it is coming up fast.

I am planning on going to the Oak Creek Lionsfest Car Show on the 2nd. I have to work on Monday and I can not make the Classy Cruisers show in Racine. I am planning a trip to Gas City Indiana for the Duck Tail Run Show the last weekend of Sept. I have attended this show about 10 years ago and I do want to get back there again. Three thousand old school lead sleds and hot rods will be there with the flame throwers contest, loudest pipes contest, and burnout contest. I think it might be a fun filled weekend and can not wait to tell you all about it next month.

The rooms are going fast for Door County, so if you are thinking of going, do not waste any more time and get your money in ASAP. All the details are in the news letter.

On a bit of a somber note Carol and Craig Cameron lost their beloved collie, Chance, after a brief illness. I am sure many of you got to meet Chance at the Toys for Tots parties that the Cameron's hosted. Please keep them in your thoughts. Sue and I know all too well about the loss of a beloved pet.

That is all for now, more next month.

Yours in Stangdom,

Tom

The Wisconsin Early Mustangers

From the Pres. (Retired, that is)

August 28, 2012

A few months ago, it seemed like a joke. I started the Door County sign up a bit early this year. Before long we were near capacity. There are only a few rooms left at this time. The group seems really excited about going. Maybe, like me, it will hopefully be a refreshing relief from a "long HOT summer".

On that subject, we mentioned the use of CB radios at the meeting last night. With a group as big as ours, it is a logistical nightmare to keep together in traffic. If we have the ability to communicate (as with CB's spaced throughout the group) it is much easier. The need for death defying "Banzi" runs to catch up is negated. Those in the back will be more comfortable when the sight of the lead cars are lost.

If we have four or five cars with communication capabilities, that would be great. If you have a unit, but are bashful, just listening in can give you peace of mind. Not to mention, the ability to question the sanity of your fellow travelers.

Those of you who attended Gus's cruise might have noticed that Shar and I were there. It was one of those few summer nights that were cool enough for us to stick our heads out of the nest. We really are chickens when it comes to hot weather.

I must mention the great time we had at Rick and Lisa Huckstorf's August 11th. They did a great job hosting the picnic this year. Last night Rick volunteered to host next years picnic. We gratefully accepted.

Have a great end of summer. Look forward to spending time with all of you. Be safe out there. And, definitely have fun.

"Keep on 'stangin'".

August 27th Meeting Minutes

The August 27th meeting was called to order by President Tom Miller at 7 PM.

No new members were at the meeting this month.

Sharon Doria read the treasure's report and it was approved as read.

John Falkner read the July meeting minutes and they were approved as read.

Old Business:

- 🐾 Dick Doria told members they have until September 15th to place orders for WEM club logo clothing, and that this will be a one-time order this year.
- 🐾 Club Picnic – Tom Miller thanked Rick and Lisa Huckstorf for hosting this year's very successful club picnic. Rick volunteered to host next year's picnic, and it was unanimously approved.
- 🐾 Gus' Drive-in Cruise Nite – Jack Winter said it kind of fell flat because Gus was not there, and rather than park together, we had about 12 cars scattered throughout the lot.
- 🐾 Elkhorn Madison Classics – Jack Winter said it was HOT and it seemed the number of vendors was down from past years.
- 🐾 Sussex Lions Pistons & Rods – John Falkner said it was a nice show and he won an electric BBQ grill as a door prize.
- 🐾 Milwaukee Masterpiece – Gary Fedder said we had only three members at the Saturday club day, and it rained on Sunday so what cars they had were under plastic sheets so you couldn't see much.
- 🐾 Tichigan Lake was rained out

Tom Miller conducted the raffle for a WEM club T-shirt, and three WEM club window stickers.

New Business:

- 🐾 Door County OTR - Dick Doria said we still have a couple of rooms available, and made a request for more people to have CB's because they are more reliable in our caravan than cell phones. Suzie is firmed up for lunch on the way up, other details will be announced at our September meeting ...and this is Pumpkin Patch weekend, so we won't be alone.
- 🐾 Roger's Drive-In WEM club outing - Since we didn't have any official club events for September, Kitty Klein suggested we make a club outing of meeting there for dinner on Wednesday, September 12th. Please call Kitty to let her know if you're planning to come (see "Activities & Events" later in the newsletter for details).
- 🐾 Club logo clothing order – Dick Doria said we will be placing a final 2012 order and that all orders must be placed BY SEPTEMBER 15TH (see flyer later in the newsletter).
- 🐾 Tom Miller encouraged our members to support the Classic Thunderbird show on September 29th at Schmitt Bros. Ford on Hwy 33 in Port Washington (formerly at Amato Ford in Mukwonago)

Dick Doria moved to close the meeting, Jerry Ignasiak seconded, and it was unanimously approved. A stampede resulted as many members galloped down the road for *CUSTARD* at Omega.
