The Feedbag ...what happened ...and what's happening.

12/23/12

Hi Ho Mustangers,

This will be a short note as there is not much going on at this time of year. I will remind all that the February pizza party is coming up the first part of the month. Please contact Sue or myself if you are going to attend (414-764-6726). All the details are in the news letter and it will run as it has in the past years. This is a good time to get to together in in the middle of winter. The only other thing is the Model A Swap Meet at the Washington Co. Fair Grounds. The date is in the Events Calendar. We hope to see you all at one of these events.

I am happy to report that Deb Moss and Bob Tice were married on 12-12-12. A short but moving service was held and a great reception followed. Please wish them all the best when you see them next. It is not very often I get to report a wedding!!!!!!!!!!!!!!

I am sorry to report that our own (Uncle) George V. Tresider past away on 12-12-12 after being in a coma for 5 weeks. There were a dozen or so Mustangers that made it to the December 18th funeral. I wish to thank all who kept him in their thoughts. George was really my sister-in-law's uncle. Not only will we miss him, but all the kids that used to flock to his squad cars will really miss him. He always had a soft spot for the kids.

Last but not least, Sue and I would like to wish all of you a HAPPY, HEALTHY, and BOUNTIFUL NEW YEAR. That is all for now, more next month.

Yours in Stangdom,

Tom

December 2nd Car Show Planning Meeting

Your board of directors met at Jack Winters home to start firming up details for our 2013 Car Show.

Good bye Uncle George...

George Tresider passed away on December 12th at the age of 75. George was a retired Racine policeman, a member of our club, and had a collection of five Mustang squad cars. He brought them to various shows where they were always a big draw ...especially for the kids. George always had time for anyone about anything, always had a smile on his face, and was an active volunteer for various charities. He really was a great guy and will be missed by everyone that knew him.

There's NO December Meeting

EDITORIAL –

I filled out the 2013 WEM membership cards (currently 140 active) and noticed we're not as old of a bunch as I thought. Over half our active members now have membership numbers from #700 to 843. Older members grew tired of their cars, changed brands, lost interest in the hobby, etc. so only 9 of #1-99, 5 of #100-199, 8 of #200-299, 11 of #400-499, 19 of #500-599, 18 of #600-699 are active any longer. We will always lose members for whatever reasons, so we must always attract new members, and then welcome them into our club with whatever they drive to keep our club alive. Many "old timers" notice the influx of late models in our club by young and old. Let's face it, there are only so many old Mustangs, and the new Mustangs are easier to drive, safer, handle better, and are generally faster than the oldies many of us grew up loving. I still love to modify my oldie, Jack likes his stock oldies, Dick likes his late model convertible, Gary and Dean like their stock late models, etc., so we've got everything in our club now.

Since becoming club secretary, I've found getting new members is easy. If you're at a cruise night, or car show, there's always a bunch of Mustangs. Anyone with a Mustang is usually interested in our club, and will take a membership application if you have one to give. Pick up a few of the tri-fold applications at our next club meeting, and see how easy it is. *Give it a try!* ...or just put a couple of membership applications under your windshield wiper and watch them disappear at the next cruise-in or car show you attend. The tri-fold application form lists the advantages of club membership and has answers to most questions.
