The Feedbag ...what happened ...and what's happening.

From the President

August 1, 2015

Hi Ho Mustangers,

It is with great sadness I have to report the passing of member number one, Dick Doria. Dick passed last night at about 10:30 PM very quietly with Sharon at his side. Arrangements are pending, so keep an eye open for all the times and dates. I am at a loss of words for the loss of my dear friend and mentor. Dick has touched all of our lives in one way or another. He was always the guy who wanted to help, had that piece of the puzzle to solve your problem, had the correct tool for the job, or wanted to shoot the breeze over a burger or a hunk of fried chicken.

Over the last 20 years Dick and I have had a lot of fun from the British Islands to Las Vegas, from Iowa to Door County, and from Indiana to Fox Valley, all of which I will hold dear to my heart until I die. As I see it, all of us as a club and the world is a bit better off having Dick on this earth. I know I am. Dick always wanted the Wisconsin Early Mustangs to move forward and we will. He wanted the club to last until the end of time. With that being said check the news letter for the club picnic and Door County. I will be the contact person for the Door County trip. That is all for now, more next month.

Yours in Stangdom,

Tom

P.S. I never thought I would ever write this cover letter in my term as WEM Pres.

WCA 7/27/15 Meeting Minutes

The meeting was called to order by president Tom Miller at 7:00 PM.

Tom Miller said he would update us about Dick Doria after our regular meeting.

New member Samantha Catena was introduced and she has a 2012 Mustang convertible.

Tom Miller read the Treasury Report, and it was approved as read.

John Falkner read the June meeting minutes, and they were approved as read.

Old Business:

 Tom Miller said the Feds are apparently going after the former Omega owners and that is what is holding up the opening of the new Oscar's there, so the post meeting will again be at the 6th and Layton Culver's.

 Car show recaps:

- John Slusar reported on Iola and that he got to park his 1953 Singer racecar inside the tent out of the sun. Julie had her Edsel there and they were just a few campsites away from Tom Miller in the campground.
- Julie got a 2nd place award at the Louisville, Kentucky national Edsel show with her Edsel wagon.
- Nobody at the meeting made it up to the Eric von Schledorn Ford show in Random Lake.
- Dominic Days was big again and was the week before Soerens, so not a conflict this year.
- Dawn Raduechel said the Soerens Ford show was a nice day and had about 150 cars, but no vendors. Several of our members helped with parking again, but the spectator traffic was down probably due to the Car Craft Show at State Fair Park.
- Jack Winter said lots of cars, food, beer at the Car Craft Show on the State Fair grounds with about 2500 cars a day. A storm came through about 3:00 PM on Saturday and had many scurrying for cover with their big buck cars. Apparently Gene Schwister got a 1st place trophy on Sunday.

Door Prizes: One hat and three Ford key chains were given out to the lucky winners.

New Business:

 Upcoming shows mentioned:

- Summer Elkhorn
- Cruisin the Grove
- Waukesha Old Car Club in Frame Park
- Heroes, Horses, & Hogs in Fond du Lac
- Masterpiece with the 50th Anniversary of the Shelby in Veteran's Park.
- Tichigan Lake

 Tom Miller is the new contact for your ZDDPlus oil additive needs.

 Door County will have Tom Miller coordinating. Check out the flyer later in this newsletter.

 Roger Nickolaus reminded everyone that we are going to be in a slightly different area of the same park, and John Falkner reminded everyone of the need to RSVP so we have the right quantities of the club supplied meats, buns, beverages, plates, etc.

 John Falkner reminded everyone about the November elections coming up, the need for new leaders with new ideas for the continued growth of our club. We asked people to start thinking of what they would like to do so we could make a smooth transition. We really should have things pretty well settled before the actual elections so the new officers can hit the ground running. Needs include: President, Secretary & Publisher, Car Show Chairman & Cruise Director, Activities Director.

Tom Miller asked if there was any more new business and finding none moved to close.

The post meeting continued at the Culver's on 6th and Layton with about a dozen members.

After our regular club meeting, the following letter from Andrea Doria was read to our group. Dick was not only the last surviving founder of the Wisconsin Early Mustangs (member #1), but also a great friend. Cards, emails, and flowers are appreciated, but please don't bother Sharon at this time.

It is with extreme sorrow that we must inform our club members that the founder of the Wisconsin Early Mustangs is embarking on his final journey here on earth.

As ironic as life can be, Dad must succumb to his calling from above. As much as we all want and need him here, there are obviously a lot of mechanical problems up above.

Please carry on his passion and love for the machine that stole his heart ...along with my mother's and the rest of us lucky and chosen to be born and bred by the most brilliant man who could listen to the heart of any 'Stang and heal her because he could.

Thank you for being a part of my Dad's dream.

*Sincerely,
Andrea Doria*
