## *The Feedbag* ...what happened ...and what's happening.

August 2, 2013

Hi Ho Mustangers,

Well, it looks like summer is really here. The weather in Iola was the best in 20 years with low humidity, highs in the low 80's, and cool nights for sleeping. Things were down a bit with fewer vendors and campers this year, and attendance was about 100,000. The only thing that was not down were prices on cars and parts. I did not see a lot of Mustang or Mopar parts for sale, and what little I saw was up in price and down in quality. We had a great time anyway.

At the same time, we had an outing at the Sports Dock, and I was told things went very well. All who attended had a great time and enjoyed great food. I want to thank Larry Tobiasz for setting this event up. It was talked about moving this event next year to a weekend. I hope that happens. I would like to check it out, with all the good things I have heard.

On June 29<sup>th</sup> Steve and Kitty had "Kitty's Marsh Run". The day got off to a bit of a wet start, but soon cleared. Touring of the marsh, lunch, and a pontoon boat ride made up the outing. Thank you Steve and Kitty.

I did make a few Ford shows this past month like EVS in Random Lake on 6/30 with about 150 cars and perfect weather. The Soeren's show on 7/21 with 200 cars had the best weather ever for that show with highs in the 70's.

On 7/27 we went to the Firefighter Museum on Oklahoma Avenue and lunch at Melrose's on South 27<sup>th</sup> Street. About 20 Mustangs were there. We had a great tour guide and he spent the better part of 2 hours with us. Big thanks to Gary Fedder for setting up this outing.

The club picnic at the Bing's is coming up real fast. Details are in the news letter. Call Scott or Amy ASAP as the 10<sup>th</sup> is right around the corner. Jack Winter has a cruise night set for the 17<sup>th</sup> at Georgie Porgies. As the weather has not been too good for cruise nights this year, we should all make an effort to make the few we have left. That is all for now, more next month.

Yours in Stangdom,

Tom

# July 29<sup>th</sup> Meeting Minutes

The meeting was called to order by President Tom Miller at 7 PM in the Waterstone Bank.

There were no new members and/or guests present to introduce.

Dick Doria read the Treasurer's Report.

John Falkner's Mustang decided to take a nap along I-43 on the way to the meeting, so Dawn Raduechel took these July meeting minutes in his absence.

## General:

🐾 Guest Speaker, Eric Ewald will address the club after the formal portion of the meeting about the Ewald Auto Advantage Program. Members were invited to stay to learn about this buyer's program being extended to WEM members and immediate family.

🐾 Jerry Ignasiak suggested that it would be helpful if name tags were available/provided at club functions/road trips and the group agreed this was a good idea. Nothing fancy – just "Hello, My Name is...." stickers could be made available. Anyone organizing an outing should keep this in mind and can request reimbursement for such nametags or they can be provided by the club.

## Election:

🐾 President Miller asked for additional nominations for the open Vice President position and there were none. Therefore, candidates for this position are: Dave Hartley, Jerry Ignasiak, and Bob Tice.

🐾 Ballots will be included in the next newsletter and available at the August meeting.

🐾 One vote per FAMILY – vote in person at the August meeting **OR** by mail.

🐾 If mailing your ballot, it **MUST** be **RECEIVED** by August 20<sup>th</sup> to be counted at the August meeting when the in person election will take place.

🐾 Dawn Raduechel and Kitty Klein will count the ballots and the new Vice President will be announced at the August meeting.

🐾 A motion was made, and carried, that each candidate should write out and submit a brief bio for the newsletter so our voters can make an informed choice. Dave and Jerry were present tonight and agreed to submit their bios to John Falkner by this Saturday (8/3), and Tom Miller agreed to contact Bob Tice to inform him of this.

## Old Business:

🐾 Tom Kitty's Marsh Run (6/29): About 14 people attended and it was a nice time despite a little rain and an overly friendly goose. Thanks to Kitty for arranging this annual outing.

🐾 Sports Dock Cruise Night and Beach Party outing (7/11): Thanks to Larry Tobiasz for setting this up! About 12 cars were present which is down from last year. A different day of the week may be chosen for this event next year to increase participation.

🐾 Iola (7/11-14): The weather was great. Attendance was down, vendors were down, but prices were UP! Tom Miller speculated that prices may be up due to the influence of the Internet on the market.

🐾 Ft. Atkinson Community Cruise Nite in Jones Park (7/16): Jack Winter said he has no idea if anyone went.

🐾 Soeren's Ford show (7/21): The weather was the best anyone can remember in many years! The show had 200 cars and about 12-15 of our club members were present. Special thanks to Jack, Larry and Tom who helped park cars.

🐾 Milwaukee Firefighter's Museum Outing/Tour (7/27): Thanks to Gary Fedder for setting up this unique and fun outing! About 14-15 people attended. The museum is also open the 1<sup>st</sup> Sunday of each month for free tours.

New Business:

- 🦅 August 10 - WEM Club Picnic at the Bingenheimers. At this time only 3 members are signed up to attend. John Falkner will put a blurb about this in the newsletter and ask everyone to **RSVP ASAP!**
  - 🦅 August 17 – Cruise Night to Georgie Porgie’s. Get there close to 4pm or as early as you can as this popular cruise night fills up fast!
  - 🦅 Dick Doria will be taking orders beginning at next month’s meeting for WEM branded jackets, sweatshirts, polos, t-shirts, hats, etc. He will have a price list available and will place the order soon thereafter to ensure items are received prior to Door County.
  - 🦅 October 4-6 - Door County! Dick reminded everyone to get their Door County reservations in! The rooms go fast and at this point in time are about half full.
- The formal club meeting was adjourned at 7:21 PM, and was followed with a presentation by Eric Ewald.

-----

**Guest Speaker, Eric Ewald**

- Eric presented information about the Ewald Auto Advantage vehicle discount program offered by Ewald Automotive Group and distributed informational flyers. Refer to [www.ewaldautoadvantage.com](http://www.ewaldautoadvantage.com).
- This program is offered to Ewald’s employees, suppliers and affiliates (like the Wisconsin Early Mustangers), and their immediate families.
- There are some limitations to the program – for instance, Shelby’s are not included but GTs are.
- Discounts are also available on parts (10-20%) and accessories (10%).
- Pre-owned vehicles are also discounted but it depends on the vehicle in question. The discount would be approximately \$200-\$500 off their Internet price.
- To participate in this program, just identify yourself as a member of The Wisconsin Early Mustangers and mention the program.
- Eric also answered many questions about Ford, new product launches, and the automotive market and industry in general.

## Jerry Ignasiak

Hi, I am running for the office of Vice-President of our Mustang Club. I was one of the founding members of the Wisconsin Self Storage Association and was on the board from inception up until last year when I sold my business, so I have experience with how non-profit clubs like ours operate.

I have been a member of the Mustang Club for two years now and I find the club members to be a fun-loving and diverse group of people. If elected I will try to advance the club and make it even better. Since being referred to the club by my friend Leroy Butler I have enjoyed the opportunity to spend time with others who are as enthusiastic about Mustangs as I am. I would like to give other people this opportunity as well, so whenever I see a Mustang on the street I pull over and put a flyer for the club on the windshield - much to the dismay and annoyance of my son. I know Vern's shoes will be hard to fill.

Thank you for considering me for this position!

Jerry Ignasiak

## Bob Tice

Hi, I am currently running for the office of Vice President for the Wisconsin Early Mustangers. My wife Debbie and I have been club members for about six years and we have taken part in many of the club activities. A couple years ago we made the club trip to Detroit and we have been on the Door County trip the last couple of years. Like many of you, I have worked at the WEM car show.

We have a club that is very supportive of our membership and I would like to become more involved in the organization and planning aspect for the club. I have worked in the machine service industry for about 25 years, and we currently have a small business that services flat roll metal machinery.

I would appreciate your support in this election,

Bob Tice
