Hello Mustangers!

Our **All Ford Car Show** was a big hit again this year with around 300 cars in attendance. Fantastic weather certainly brought out strong numbers of classic Ford's from all era's. A **HUGE** thanks goes out to all those who pitched in to help put together and work all the activities of our show. Be sure to thank Bob Tice & Tom Miller, our co-chairs for coordinating all of the details. Also, a big thanks to Ewald's Venus Ford for hosting the event. Of course, thank you Ford owners for bringing your cars. Great show!

Man, we have a great summer ahead of us. Keep those ponies ready for cruising! If you're up in the Fox Valley / Appleton area on Father's Day, Sunday, June 19th, be sure to stop in at the Les Stumpf all Ford car show. It is hosted by our friends at the Fox Valley Ford & Mustang Club. See their club flyer further on in the newsletter.

Mike Johnson has a wonderful charity event for our club to attend. It's the Rod's for a Reason car show which is to raise funds for the Make-A-Wish Foundation. This event takes place in Kenosha County at Petrifying Springs Park on Sunday, July 10th.

A little further down the road, we are planning to head out to Mukwonago to Heaven City on Monday August 15th. Their show is back! We were there a few years ago and it was a nice casual show with a DJ and some good food.

Also in August, keep your calendars open for a fun day at Blackhawk Farms Raceway. John Slusar is making arrangements in conjunction with the Northwood's Shelby Club. See inside the newsletter what John has going for us!

That's all for now!

Glenn

EDITORIAL

1st Time in the Driver's Seat

Did you take in the sights and sounds of the cars and trucks, the enthusiasm, and the pride that were all on display at the WEM's 34th?

Car shows just don't happen! Much thought, planning, and yes hard work go into all the decisions. Officers and board members, past and present, do the heavy lifting and behind the scenes work. They are assisted by a small army of dedicated volunteers.

This season, as you go to car shows and cruise nights, take a step back and reflect on your surroundings. You will come to realize that it gets no better than being a WEM's member.

This year's event had everything – outstanding weather and over 300 cars. It truly had the feeling of a well-run machine.

Congrats to our new President Glenn Furst and his team on their 1st victory lap.

BLACKHAWK FARMS EVENT by John Slusar

Saturday, August 27th 2016

We have so much ground to cover today, that I have dispensed with photos, to fit in the facts and figures. However, to satisfy your optic nerves, please follow this link to a video made from an 8mm film of a 1982 Blackhawk race featuring a 1970 Mach 1: <https://youtu.be/Rjp9Xk5Bsk0>

As you know from our previously published proposal, this driving event will feature a colorful caravan of our cars from a meeting place at Hwy 164 on the Rock Freeway to the raceway, located in South Beloit, just over the Illinois border, a distance of about 60 miles of easy driving. Our schedule is jam-packed, and well-described in the proposal letter, which has appeared in our last four Newsletters. I asked our membership to send me any questions, and I received only one, but it is a very important one, and I am using this opportunity to address it in detail. "Full disclosure", as they say.

My plan includes a generous offer from our hosts, the Northwoods Shelby Club, to give us an opportunity to experience up to five laps on the track, driving at controlled speeds, following their pace car, single file, with no passing. Such "parade laps" are common at racing venues, and are *relatively* safe for participants. Besides seat belts, no special equipment, driving suits or helmets are required. However, it must be clearly understood that participation in any inner track events and particularly driving on the track surface is always done at the complete risk of the participant drivers and their passengers. When we enter the track property, we are required to sign a standard Waiver of Liability. In effect, you are "signing your life away". The entire risk of personal liability for life and property, including damage to the track itself, is your own.

In my experience, I have seen large numbers of drivers using their own street vehicles to take part in such paced laps at venues such as Road America and Blackhawk Farms during non-racing periods, such as during the Noon lunch breaks. But these are typically serious race enthusiasts who have no problem with signing the waivers and taking the risks. I realize that in our case, most of our members have never been closer to the track than the grandstand or the outer parking lot. With that in mind, I have spent many days contacting insurance companies and speaking with their underwriters about coverages for both "street-driven" and "collector" cars, including American Family, Liberty Mutual and Progressive, plus Grundy, Heacock, JC Taylor and Hagerty. Excepting a "possibility" at JC Taylor, absolutely no company allows any coverages to extend to track property. I also contacted a specialty insurance company called "K and K", which writes custom policies that could cover us, but which require GROUP coverage (no single car policies) with large premiums and \$2000 deductibles. In short, nothing realistic or practical, for a mere 30 minutes on the track.

All of that said, I feel that we should try to determine if we can field the minimum required fifteen cars from among our group to be involved in this paced tour activity. Between now and a deadline of July 31, 2016, I am asking those who are willing, to send me a check for \$25 for their car entry. If I receive 15 prepaid entries, we will go forward with the paced laps; if not, I will remove that offering from our menu and return all checks. (Please use the form below)

Please note that none of the above has anything to do with the rest of the day's plans. Everything else in the "proposal" is still in place and FREE OF CHARGE, including Paddock entry, the use of all facilities, the Brat Fry and the overnight camping.

Be sure to mark your calendars for Saturday, August 27, (Rain Date August 28) to take part in this FREE ROAD TRIP. Read over the proposal description and get fired up over our Club's first-ever track event, featuring an "INSIDER'S" view and a fun overnight camping opportunity.

SIGN-UP FORM FOR PARTICIPATION IN BLACKHAWK FARMS PACED LAPS

If you are interested in joining a minimum group of 15 cars that will share the excitement of driving their own Mustangs on the actual track surface of Blackhawk Farms Raceway during our upcoming event, you must pre-register by completing and submitting this form to John Slusar BEFORE JULY 31, 2016. This special group will be led and paced by the host group, the Northwoods Shelby Club, strictly following their rules designed with our safety in mind. All participants will be required to sign a Waiver of Liability upon entering the Blackhawk Farms property, signifying that the entire risk of liability for damage or injury rests with each driver and passenger taking part in this track surface tour. If we do not receive a minimum of 15 pre-paid vehicle registrations by July 31, 2016, all checks will be returned and this offer will be withdrawn. This will not affect any of the other activities planned for that day.

Wisconsin Early Mustangers Club Waiver of Liability: "I (we) agree that I (we) will not hold liable the Wisconsin Early Mustangers Committee or their respective Club Officers or members for any personal injury or property damage that may occur on the Blackhawk Farms property or while driving to or from the Blackhawk Farms Event to be held in South Beloit, IL, scheduled for Saturday, August 27, 2016, (Rain Date: Sunday, August 28), and that my (our) participation in this event signifies my (our) agreement with the above Waiver of Liability.
