## *The Feedbag* ...what happened ...and what's happening.

Hi Ho Mustangers,

6/1/12

We got the car season off with a bang last month with 50 members braving the weather at the Ice Breaker Brunch Run. It was a bit cool and quite wet with only one rough spot in that Dawn had a bit of car trouble. Sue and I took over driving duty for her and her mom and got her car to the shop and we all still had a great brunch. A big THANKS to Wayne and Betty Mudek for setting up the run.

On may 11<sup>th</sup> we had a small show and shine at the Bradley Center before the Milw. Mustang's football game. We had 12 cars there and had a good amount of lookers. We handed out a few membership forms and chatted about the upcoming show. All in all I think it went very well. We still have a few home games left for 1<sup>st</sup> generation convertibles at the opening of the games. If you are interested please contact me @ 414-764-6726.

On to the main event of our year The Show. I am pleased, happy, and ecstatic to report that we had 317 cars paid at the gate with 279 registered at the club's table. This was just 5 short of a record. I would like to thank all who worked so hard on the show as well as those who attended, sponsored, ...and last but not least, Ewald Venus Ford. I could not be happier. We did have a bump or two that we will work out for next year.

For the upcoming month we have a few things to do. Tomorrow is Kitties Run to Horicon Marsh run. Weather looks great for this event. On the 17<sup>th</sup> there is the Fox Valley car show at Les Stumpf Ford in Appleton and on the same date is the Borchardt's Show on 27<sup>th</sup> street. I will be going up to Appleton, weather permitting.

On a side bar, I just got a new Escape at Ewald and was told that any WEM member who wants to buy a new car can see Kurt Venus and he will give them X-plan pricing. This means that the price you will get is the same price that a Ford employee gets. This is on all Ewald products not just Fords. That is all for now, more next month.

Yours in Stangdom,

Tom

May 30, 2012

Sunday May 20, 2012 is a day to remember. First of all, we had some great weather. Storms were possible later in the afternoon, but, we were lucky. The quality and quantity of the show cars was magnificent. Everyone seemed to be having a great time. Tom Ewald stepped up to the plate in grand fashion with his Ewald' Venus Ford crew.

The swap area was busier than usual. We seemed to have more foot traffic though the shop. The club table and door prize, raffle, fishbowl table business was brisk. I believe the help we received from the Milwaukee Mustang "Fillies" didn't hurt ticket sales either.

All workers must be congratulated. It is a really long day once done. We opened up the shop at 6:00 AM. By the time we tallied the final count and made the deposit, it was late afternoon.

It didn't seem that way during the day. However, many of the show areas showed increased profitability this year. Our preliminary figures show that we made about \$2600 this year. That will help to offset the price of our new copier/printer, plus ensure a bountiful club dinner for those hard workers next March. A full report will be ready for the June 25<sup>th</sup> meeting.

OK, so now we are off to a good start. With the "ice breaker brunch" a resounding success and the annual Show/swap under our belts, we look forward to "the season". If you run out of things to do, it isn't our fault. Besides club activities, you could almost do something every day of the week. Let's see a lot of each other this summer.

Many of you know of the "65 Mustang convertible I acquired from Bill Meinecke. He and his wife Eileen were some of the most gracious people I have ever met. They really helped me get that car into the hands of Kevin Masterson. He is a good friend from Richmond, Virginia. Plus, just this week he became a member of the WEM.

Kevin and I did quite a bit of prep work on the convert. He then drove it back to Richmond without any major problems. I really hope he enjoys his new ride.

Don't forget, I'll be starting Door County sign ups at the June meeting. That will sneak up on us faster than we like. Be safe out there.

"Keep on 'stangin'".
