## *The Feedbag* ...what happened ...and what's happening.

### From the President

May 29, 2015

Hi Ho Mustangers,

We have another show behind us and in the books. It wasn't our largest show, but not bad considering the wet start of the day. At a quick glance we made a little bit of money, which is a lot better than losing money. We had 167 cars in attendance and that's not bad for any show!!! Our show cannot come off without the leadership of the show chairman, Jack Winter, and all the members that volunteer their time to make the show go so smoothly. I want to take a moment to thank Jack for his 15 years as the show chair, and wish him a happy retirement. We are looking for a replacement for Jack, because without a show chair *WE WILL NOT HAVE A SHOW!!!* I also want to thank a member that really went above and beyond, and that would be Marnie Johnson. After working the registration table she jumped in to help count and tally all the ballots. Great job and thank you Marnie.

As there was no May meeting, I want to talk about a few upcoming events. There is the Fox Valley Show on Father's Day. I cannot attend this year as I still need to work and I pulled that weekend. There are a lot of car nights going on as the season is in full swing. Please check out the newsletter and Hot Rod Radio for a night near you. The Wisconsin Ford Club needs help at their July show. They are looking for people to help with parking. If you are interested in helping contact me at 414-764-6726. The last thing I would like to address is the club picnic has been moved from August to September. Check the news letter for the new date.

I want to tell all of you that Dick Doria is in the hospital undergoing more tests. He should be out by Tuesday. Please keep Dick and his family in your thoughts. We all hope for great results!!! That is all for now, more next month.

Yours in Stangdom,

*Tom*

# The Wisconsin Early Mustangers

**From the Pres. (Retired, that is)**

May 4, 2015

A hearty thanks to all of you that attended our annual "Ice Breaker Brunch" at the Fox & Hounds. We had a great crowd of over sixty people. The mixture of cars was really impressive. Early to late, they all looked great.

Happy Birthday to Dick Strack. It was nice to celebrate with him. He is one of our oldest members, being with the club since the early years.

The brunch was super good, as usual. They never disappoint us up there. The weather was a bit threatening as we were about to leave McDonald's, but, it held off until we were safely home. Thanks to Jack Winter for a wonderful event.

We have the commitment from Ewald's Venus Ford for this year's show. Eric Ewald now the general manager, said they were excited and looking forward to it. He once again complimented our club on the execution of the show. Eric has been one of the most active in supporting our club. I hope that when shopping for a new or used vehicle, we return the favor.

Don't forget this is the year for officers elections. We are staying with four year terms. Volunteers are welcome, as well as nominees. Keep in mind that we have a heck of a legacy to maintain, as one of the strongest Mustang clubs around, and most active too.

We wish safe travels to our Detroit group. Sharon and I would have loved to join you. It just wasn't in the cards healthwise this year. Things are starting to look up with medication and therapy. Hopefully, we'll be back in action soon. In the meantime, please keep in touch.

We have had some great times this year with many of you. We look forward to another great year in progress.

"Keep on 'Stangin'".

## *Recent WEM Pictures are now on our web site!*

If you haven't been on our web site lately, you are in for a big surprise! Dick Doria, John Falkner, and Steve Klein made a recent road trip to Fond du Lac and met with Rick Kolstad at Wisnet (Rick is the founder of Wisnet who is our web designer, a club sponsor, and Rick is a WEM member). The result of the meeting was that Steve Klein is now able to easily add his club pictures to our web site, and the really fantastic feature is that there is no limit to the number of pictures we can have ...so enjoy.
