The Feedbag ...what happened ...and what's happening.

From the President

October 31, 2014

Hi Ho Mustangers,

It looks like the car season is at it's end with the snow this morning!!!!!! BUMMER!!!!!! Tomorrow, I will put the '68 to rest for the season. I hope the weather is half way nice, since I will be depressed enough parting company for many months. I will just have to keep happy thoughts about the SEMA Show that I am bound for on Sunday.

Last month was not the busiest, but was a fun time in Door County. We had many new faces with us on the 33rd club trip to the Door. Weather was great, to say the least. Saturday night dinner was as good as ever, and the party continued back at the party room at the hotel. I turned in at 10 pm and there were a few folks still partying on. A big THANK YOU to Sharon and Dick Doria for planning this trip for the last 33 years.

This will be a short letter as I need to wrap things up here before the trip. I would like to remind everyone that the November 24th club meeting will be at the New Berlin Ale House on 160th and Cleveland. There is a 6:30 start time on this meeting with next years planning as the 1st order of the day. We are planning a big ORT for June, the likes that have not been seen since 2010!!!!!! Be there for the news!!!!!! On November 30 is the 2015 car show meeting. This will be at Jack Winter's home, details will be in the news letter.

That is all for now, more next month.

Yours in Stangdom,

Tom

October 27th WCFM Meeting Minutes

The meeting was called to order by President Tom Miller at 7:00 PM.

New members & guests: John Slusar who helped with the MSOE show has a '65 convertible with 73K miles, a I-6, and a 3-speed that he got from the family that originally bought his car. Greg Ray of Menominee Falls has a red 2014 GT C/S and met Dawn at the Soerens show. His son works at Husco in Waukesha that makes the cam phasing for the new Mustang GT engines.

The Treasurer's Report was read by Sharon Doria, and it was approved as read.

The September 29th Meeting Minutes were read by John Falkner, and they were approved as read.

OLD BUSINESS:

🐾 Car show & cruise recaps:

- Chula Vista: Not attended by any members present.
- Door County: Dick Doria said we had a great group, great weather, great colors, and many first timers. Sandy Karnold said she had a ball and the supper club was excellent. Sharon Doria said the Friday night spread put on by the Best Western was the best ever, and we are already booked for the first weekend in October next year, so we avoid Pumpkin Fest.
- Karen Furst said they went with the Fox Valley Ford and Mustang group to the Altenburg Farm and it was a ball! They even got a free pumpkin out of it.

Raffle Winners: Don Schultz, Kitty Klein, Jerry Lyon, John Falkner, Greg Ray, Doris Netzler, Debbie Snyder, Glenn Furst, Dawn Raduechel, Steve Klein, John Slusar, and Sal Lorino

NEW BUSINESS:

🐾 Tom Miller talked about the November club meeting being at the New Berlin Ale House and the business meeting starting at 6:30. The pizza-beer-soda free-for-all is only **AFTER** you pay "the little blond girl".

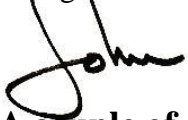

🐾 The time for the Car Show Planning meeting at Jack Winter's house needs to be firmed up, but Jack was not present. Several members questioned the date change, so final details on the date and time will be spelled out in the next Feedbag.

🐾 Tom Miller announced that nominations for officers will be in one year, and to start thinking if anyone is interested. Tom said he will be stepping down after 16 years as president, and John Falkner said he would be stepping down as secretary because he's now in Florida for half the year.

🐾 Dick Doria said orders for club apparel placed now should be ready by Christmas, and to either call or email.

🐾 Dick Doria and Tom Miller are going to the SEMA show again this year.

The meeting adjourned at 7:35 with several members heading to Georgie Porgie's on Ryan Road because the Omega was dark tonight.

A couple of editorial notes from your editor.

- ✓ I arranged with Jack Winter to change our Car Show Planning meeting from December 7th to November 30th (one week earlier) in June so I could attend the meeting at his house, and print the final version of our 2015 show flyers while I was still in town. This change was noted in the June, July, August, and September Feedbag calendars, so it should not have been a surprise to anyone. We change dates for various activities throughout the year, and this is why we publish a newsletter with a calendar.
- ✓ All of our club functions happen as the result of volunteers donating their time and efforts to make them successful. A lot of planning and work goes into any successful function, and commitments need to be made for items to be purchased and/or prepared ahead of time. Therefore, we all need to be considerate, and send in your RSVP's on time so we have enough food at a picnic, printed materials for an OTR, etc. ...and then show up! We don't require anyone do anything in our club, but please be considerate by following common rules of etiquette so we can all have a great time.
