The Feedbag ... what happened ... and what's happening

January, 2019

Hello Mustangers!

Hope everyone had a very Merry Christmas and a great beginning to the New Year. With a new year upon us, we have fun things in our events calendar for 2019. We do have our usual meeting in January on the 28th. No February meeting though.

Coming up in February is our fabulous Pizza Party on Sunday the 17th. Details are highlighted inside this newsletter. Be sure to RSVP Sue Miller for your reservation!

Always a fun time is the Model A Swap Meet on Sunday February 24th. Lots of goodies there for sale! Stop by our booth and say "Hi".

March may be a ways off, but be sure to pencil in our club dinner on the 17th. As usual, all those that do work our car show the previous year is in for a free dinner. Details will be coming soon. And, if you have any suggestions for Mustang of the Year, please contact Tom or I.

Most importantly! Club Dues for 2019 are due in January. Our form is inside. Please fill it out and return to Jack Winters.

Remember – There is NO February Meeting.

See you on the road!

Glenn

-----MUSTANG TRIVIA-----

- ★ The first 1993 Mustang Cobra was built on December. 17, 1992.
- ★ In the late 80s, Ford was considering moving the Mustang over to front-wheel drive. Thankfully, the loyal Mustang fans kept Ford from doing so. The Probe was the replacement that Ford produced.
- ★ The 1994 Ford Mustang, which introduced the 4th generation Mustangs, was dramatically restyled to awaken its pony car heritage. The hatchback variant was dropped, leaving only a two door coupe and convertible. The SVT Cobra was carried over from the previous year and launched with a 240 horsepower 5.0 liter V8.
