" A Few to Preserve the Best "

From the Prez :

December 27, 1991

Well another year has gone by. One tends to wonder where all the time goes. For most of us the time was spent at club functions and car shows, almost every weekend during the summer time. But just as we hate to see the year end, we start to look forward to the coming year even more. For me the new year holds a new challenge, presidency of the club. A challenge I look forward to for the next 4 years.

Let me start by introducing myself, Scott M. Moen at your service. The middle initial, " M", stands for MOOSE or so I've been told. I've been a member of your club since 1987. My current Mustang is a 1991 LX, but I've owned a 67 coupe, 70 Grande, and a 87 LX. Mustangs have been in my blood since I was young. The early model stangs were my first love and always will be, but as the owner of a Late Model, I can tell you they are a close second. My philosophy has always been the same as the club's. That is " Ownership is not Essential, Enthusiasm Is " !

Most people set a New Year's resolution for themselves. I think that we as a club should do the same. We, as individuals, need to support our club as much as possible. We, as a group, need to encourage new members as well as long standing members to be as active with the club as possible. Not everyone can make every meeting or club function, but we need to make the extra effort and try. I personally would like to meet every club member and introduce myself to them. Let's see if that's possible this year.

Last but by no means least, I would like to thank Dick Doria and Bob Zimmermann for doing an outstanding job for the last 12 years. The " Trail " to building a strong club was long and difficult but as you know, it's turned out great. Thanks also go out to Shar and Mary Jo for all of their time in the past and the coming years. I know that both myself and Jeanette look forward to the next 4 years and I only hope that we can do half as great a job as those who we followed. Enough for now. We'll look forward to seeing you at the next meeting, January 27th. Until then

Keep on Stangin !

FROM YOUR EDITOR

Here it is January already. In four short months we will officially start off the new Mustang season with our annual Brunch Run. May 3rd is the kick off date for this event. You will find a complete calendar in this edition of the Feedbag. Please detach it from the newsletter and keep it handy as a reference.

I would also like to remind you to get your Bowling fees in soon. A sign up for this event can

also be found in the newsletter.

Your annual dues renewals are past due if you have not as yet paid them. Please send your \$15.00 to club headquarters A.S.A.P.

Our newly elected club officers will officially take over at the January meeting. Let's all rally behind them and give them the necessary support to make 1992 a very prominent year in our clubs history.

I would like to remind our members that if they have anything they would like to have printed in the Feedbag to get the info to me by the club meeting. I usually spend the rest of the week editing the articles. I try to have the newsletter printed and in the mail on the Saturday after the meeting. So to insure a prompt delivery of your newsletter please heed. Until next month

Fraternally Yours
Bob Zimmermann

.....

Dues Renewal Notice

DON'T LET THIS BE YOUR LAST NEWSLETTER

Your membership renewals were due on January 1, 1992. Please fill out the coupon and send along with your \$15.00 to club headquarters. Your prompt payment will be appreciated.

HAPPY NEW YEAR FROM THE V. P.!

Happy New Year to all Mustangers and their families, from your new club Vice President. For those of you who haven't met me, I would like to introduce myself. My name is Jeanette Roycraft, and I have been a club member for three years now, joining shortly after I bought my Mustang, a 1969 coupe which I have had partially restored. My Mustang represents a lot of different things to me -- a slice of history from the time I was in school and growing up, a genuine work of art to be admired, as all the Mustangs are, a just plain GREAT car, and above all, loads of fun! Being a member of the Wisconsin Early Mustangers has given me the opportunity not only to increase that fun, but to meet lots of great people. I have enjoyed all the club activities I have participated in, but I especially enjoy the over-the-road trips. It's a chance to get out of town, see new places, enjoy the cars, and get to know fellow club members, all in a day or two. I am excited about the New Year and look forward to working with Scott, who I know will bring lots of enthusiasm and hard work to his new position. I would also like to join Scott in thanking Dick and Bob for all their years of dedication and effort. It has been much appreciated. With the support and participation of club members, new and old, we can continue and build upon the traditions they started. Hope to see you soon!

Jeanette

GAMBLING SEMINAR
