**February, 2018**

Hello Mustangers!

2018 is here and we have a good looking schedule ahead of us for the coming year. We have our regular events coming up such as our pizza party, club dinner, ice breaker brunch run, our great all Ford car show and many more.

A lot of you have heard about Scott Moen's remarkable collection of Mustang and Ford memorabilia. You can see and read about it on the Ford Performance web site. ([www.fordperformance.com](http://www.fordperformance.com)) When you get to the site, search for Scott Moen. You will find the article with pictures that John Clor wrote. Great article!

We need a club newsletter editor. This is a fairly easy job if you have the time. There are a ton of legacy files to build from. Please give this some thought to be part of our clubs leaders. Contact Tom or I if you have any questions.

One last reminder to get your dues in for 2018. Please remember to fill out the form and return it to Jack. It's a great club with loads of Mustang fun and we would like to see you not miss a minute of all our activities!

Check out the past newsletters from the club's early years we have put up on our web site. It's fun to look back at the past and see what activities the club had.

Now, when you get a few minutes, head out to the garage and get your batteries charged. Spring is not too far away! Can't wait!

See you on the road!

*Glenn*

To all my "Wisconsin Early Mustangers" friends!

Today January 26, 2018 I face the most difficult thing I have ever had to do in my life time. As some of you already know my wife (Pat) was diagnosed in April of 2017 with stage 6 of 7 stages of Alzheimer's disease. This all started approximately 5 years ago and has progressed very rapidly. The last 2 1/2 years have been extremely difficult and has virtually claimed me as its second victim. I have tried my best to care for her at home as long as I could but I am no longer able to care for her 24/7 and at 82 years old father time is also taking its toll on me. Pat will be admitted to St Mary's Manor in South Milwaukee for full time care. It is a small facility with only 17 beds.

I know I had mentioned to some friends how difficult this is because we as men are always the "fixer uppers" "we can fix ANYTHING! Kids come to us from day one to adult hood always "Dad can you fix this for me" so when a situation like this arises it tears me up that I can't fix it! It will be up to God from now on. Prayers for her safe keeping appreciated.

Sal Lorino
